

The Weather

Partly cloudy, colder tonight with snow flurries. Partly cloudy, little change in temperature Tuesday. Low tonight 20s. High Tuesday 38 - 43.

GOP Has Hope Of Winning Governorships

Key Posts May Tip Identity Of 1964 Presidential Nominee

WASHINGTON (AP) — Republicans looking toward the 1964 presidential contest nurtured high hopes today for winning key governor's posts when about 50 million Americans go to the polls Tuesday.

In an interim election which may be influenced by the continuing crisis over Cuba, Democrats expected to come close to holding their own in House contests and even talked of the possibility of small Senate gains.

At about 169,000 polling places from Maine to Hawaii, voters will officially choose 35 governors, 39 senators and 435 House members.

If the usual pattern is maintained, balloting will begin shortly after midnight tonight in a couple of New Hampshire hamlets and end at 2 a.m., EST, Wednesday in the reaches of Alaska's farthest west time zone.

The Weather Bureau predicted dry but chilly Elchfon Day weather for most of the nation.

President Kennedy was scheduled to fly to Boston late today to cast his ballot there Tuesday for his brother, Edward M. Kennedy, who is rated a sure winner in the Massachusetts race for the President's old Senate seat.

The White House said the First Lady has cast an absentee ballot and will not make the trip.

On the eve of the election, Republicans were favored to win 19 of the governorship races, Democrats 16. This could alter radically the present bases of power in the states where presidential elections are won or lost.

The GOP now holds the governorships of only 16 states with 129 electoral votes. There are contests in 14 of these states. Only the governors of Montana and Utah, which have a total of eight electoral votes, are Republican holdovers.

Democrats are governors in 34 states which will cast 406 electoral votes in 1964. There are no contests this year in 13 of these with 152 electoral votes.

Because their chances of making any substantial gains in the House and Senate races appear dim, Republicans are looking to the governor contests not only to give them an upward surge toward the 1964 presidential battle but to point toward a possible nominee to oppose President Kennedy.

An Associated Press survey indicated that Republicans have a slight edge in efforts to take away Democratic seats in Pennsylvania, Michigan, Wisconsin, Nebraska, Oklahoma and Wyoming.

The GOP is credited with the advantage in trying to hold on to party governorships in Massachusetts, Minnesota, Iowa, South Dakota, Kansas, Arizona, Idaho, Oregon and Hawaii. The loss of New Hampshire would be regarded as an upset. GOP victories in New York, Maine and Vermont seem certain.

Anna Winking Out In Space

WASHINGTON (AP)—Anna, the new American firefly satellite, has winked her lights on schedule.

The Defense Department said the satellite, launched Wednesday, flashed its lights Sunday for the first time at the command of equipment in the satellite. The flashes were received as radio transmissions since the lights weren't visible in daylight.

The Navy, handling the project for itself, the Army and the Air Force, will begin making nighttime observations this week. The project is aimed at refining measurements on the size and shape of the earth.

With the satellite orbiting at about 700 miles above the earth, the winks won't be visible to the naked eye, but officials say they probably can be spotted at night with high powered binoculars.

OU Dedication Slated

ATHENS, Ohio (AP)—Ohio University will dedicate a new \$2.5 million space arts building here Thursday and Friday. The structure will house the schools of painting and allied arts and architecture.

Russian Missiles Disappear

THE DEFENSE DEPARTMENT has released a series of aerial reconnaissance photographs made over Cuba which provided the President with some evidence that the Russians are dismantling their ballistic missiles and bases in Cuba. Top photo taken over the San Cristobal area in late October shows a missile launch position, while the bottom photo taken Nov. 1 over the same area shows the vacated launch positions.

Coffee Break..

THERE WAS a certain note of bi-partisanship in the Republican torchlight parade Saturday night... The drum majorette out front of the informal high school band which led the parade wore a large badge on which was printed: "I Am A Democrat".

IF THE FORECAST holds up, there should be no reason, weatherwise, for not voting Tuesday...

No heavy rains or snows are forecast in the Fayette County area...

Election day is expected to be partly cloudy with temperatures in the 30s and low 40s... A few snow flurries are forecast Monday night...

No Nobel Peace Prize To Be Offered For '62

OSLO, Norway (AP)—The Nobel Committee of the Norwegian Storting (Parliament) today announced it had decided not to award the Nobel Peace Prize for 1962.

The prize money has been reserved for next year, the brief announcement said.

No reason was given for the committee's decision, but in the past the prize has not been awarded in times of great crisis.

Important Military Post Lost By India To Red China

NEW DELHI (AP)—The Indian government announced today the loss of one of its most important military positions on the battle lines to the Chinese Communists. The position at Daulat Beg Oldi, at the northern end of the line in Ladakh, was evacuated a few days ago, a Defense Ministry spokesman said.

Ladakh is at the western end of the Himalayan border. The outpost at Daulat Beg Oldi was the center of a series of smaller posts, all of which fell earlier.

The Chinese have now crossed what they claim to be their border with India at one or two places and have driven beyond the disputed territory.

New Delhi officials think there are no chances now of a negotiated peace with the Chinese.

Prime Minister Nehru has demanded the Chinese withdraw to positions they held before Sept. 8 and has rejected proposals of a cease-fire and peace talks until they do. The Chinese offensive in both the northeast and northwest area of Ladakh was launched Oct. 20.

Nehru was reported preparing another reply to Soviet Premier Khrushchev to that effect.

But it appears here that the Chinese have no intention of going back to their Sept. 8 positions. Khrushchev sent Nehru his pro-

posedal for a cease-fire without conditions last Friday. A primary aim of the Soviet peace gesture appeared to be to get the conflict stopped before India falls out of its neutral alignment. A Pravda editorial warned India against "the intrigues of the imperialist camp" and also absolved Peiping of any aggressive intent.

Informants said Nehru would tell Khrushchev there could be a cease-fire and peace talks tomorrow if the Chinese pull back but that otherwise "there is no alternative left to us but to resist that attack, whatever may be the cost or the consequences to us."

Repeating a previous Peiping turnaround of this demand, Chinese Premier Chou En-lai emphasized in a broadcast statement that the Chinese consider India the aggressor and will fight on to hold their gains.

A U.S. Air Force jet lift is now delivering a steady stream of weapons to the hard-pressed Indian army, which is bracing for an expected new thrust by the Chinese towards the plains of Assam in the northeast.

U.S. planes, arriving in Calcutta at the rate of one every three hours, are delivering 160 tons of infantry arms and mortars a day. Light British weapons also are being sent to India. Canadian arms have been promised.

U.S. Surveillance Continuance Seen

WASHINGTON (AP)—President Kennedy feels U.S. surveillance of Cuba will have to be continued in some form long after the current missile crisis is settled, government sources report.

In offering this view of the President's thinking to newsmen Sunday, the sources did not specify how the watch would be kept. The object they said, would be to guard against any future introduction of Soviet missiles into Cuba.

Aerial photographs of the island last month gave the first hard evidence that the Soviet Union was mounting an offensive missile threat in Cuba, the White House has said. It was from aerial photos taken last Thursday that the administration concluded Soviet Premier Khrushchev had begun to make good on his pledge to tear down the missile bases.

The Navy, in maintaining an arms blockade of Cuba, has also been filling a surveillance role. Removal of the missiles and other Soviet offensive arms from Cuba remains a thorny problem.

By the terms of the Kennedy-Khrushchev agreement, the United Nations would supervise the verification that Soviet missiles have been withdrawn from the island.

The government sources who discussed Kennedy's position emphasized that he is determined to verify the removal of the weapons by international inspection teams—and that nothing less will be satisfactory.

While the United States and the Soviet Union are reported prepared to have the International Red Cross fill the inspection role originally proposed for the United Nations Cuban Prime Minister Fidel Castro has the power to bar international inspectors from his territory.

Soviet First Deputy Premier Anastas I. Mikoyan conferred with Castro in Havana over the weekend—presumably in an effort to prod the Cuban leader into accepting at least the fundamentals of an international inspection system.

Mikoyan and Castro met twice Sunday at the government palace. No communications were issued and Cuban officials gave no hint of the nature of the talks. Mikoyan remained in Havana despite the death of his wife in Moscow Saturday night.

The administration's continuing stress on the necessity of international inspection is being viewed in some quarters as a means of keeping pressure on Castro.

As far as it can be ascertained, the United States has set no deadline on compliance from either Moscow or Havana. Nonetheless Kennedy was understood to feel the United States cannot wait indefinitely.

Private School Strategy Eyed

OXFORD, Miss. (AP)—A pro-segregation group is circulating a pamphlet proposing the shutdown of any state school the federal government "seizes by force"—then reopening it along private school lines.

The proposal by the Citizens Council of Jackson, Miss., came as John Frazier, 21-year-old Greenville Negro, announced he would apply for enrollment at the University of Southern Mississippi in January. The state-operated university is in Hattiesburg.

The University of Mississippi currently is the only state supported school in Mississippi which has been desegregated. James H. Meredith, a 29-year-old Negro, spent his sixth week of classes at Ole Miss today.

Four students were expelled from Ole Miss Saturday on charges stemming from demonstrations against Meredith, the university announced.

3.8 Million Ohioans Set To Go To Polls Tuesday

Grand Jury Finds No Fraud Against Rhodes

COLUMBUS, Ohio (AP)—The Franklin County grand jury says it is convinced there are no fraudulent operations in the state auditor's office, but Gov. Michael V. DiSalle says he is not.

The Democrat governor seeking re-election fired four questions at his Republican opponent, James A. Rhodes, the state auditor, Sunday in the wake of the grand jury's 13-2 decision that there was no evidence of fraud in the controversial adding machine case.

Last week, DiSalle touched off the investigation by charging fraud in what he claimed was the rental to political subdivisions of state-owned adding machines which examiners used in auditing their books.

The governor said Sunday he would have people at the auditor's office today to complete his examination of records.

"If all the records are not present then," DiSalle said, "we may have to proceed under the law. Records of 1957 and 1958 are still missing from the office, which Mr. Rhodes has said were not lost, but misplaced."

He added his investigation will not end with Tuesday's election.

Then came the governor's questions:

"Why did he (Rhodes) obstruct and harass the effort to examine his records as provided by law?"

"Why did the press agent for the Republican Committee of Cuyahoga County alert City Club officials (in Cleveland) that he was expecting to be able to announce the grand jury verdict during the debate (between Rhodes and DiSalle) on Saturday, beginning at 1 p.m.?"

"Why did he (Rhodes) try to keep officials from handling the grand jury probe?"

"Where are the missing records bearing on the rental of adding machines and why are they missing if they are replaced?"

The grand jury, after 12 witnesses and 24 hours of testimony and deliberation over two days, returned its decision about 7:20 p.m. Saturday. The jurors are sworn to secrecy, but the forelady, Mrs. Ethel Tuttle, said the vote was taken on this question:

"Based on evidence you have heard of the rental purchase transactions about which testimony was given, does this constitute a violation of section 2921.14?"

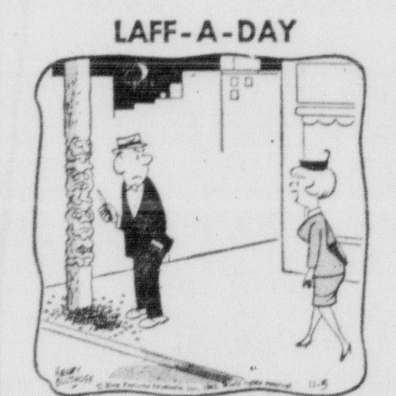

County Prosecutor Earl Allison, who conducted the investigation, said the section deals with conspiracy to defraud the state.

Sunday, both Rhodes and DiSalle demanded apologies. Neither received them.

Arkansans Swarming To Get Polio Shots

FAYETTEVILLE, Ark. (AP)—Frightened by the possibility of a polio epidemic, more than 37,000 residents of this Ozark Mountain area swarmed to immunization centers.

The crash program of immunization for the 55,000 residents of Washington County, in northwest Arkansas, resulted from an outbreak which left one child dead and nine other persons stricken with the illness.

"Been waiting long?"

Heavy Vote Looms In Fayette County

A record turnout of Fayette County voters for an off-year election may be in the offing Tuesday.

Political observers of both parties say interest in the gubernatorial race and the three county contests, especially in the one for Common Pleas judge, could see the turnout eclipsing the 8,147 who voted in the last comparable election in 1958.

The Board of Elections has ballots available for 15,220 voters, which is approximately the number of Fayette Countians eligible to vote.

But the number going to the polls is likely to fall well short of

R-H Will Supply Election Returns

The Record-Herald will provide its customary elections returns service Tuesday night.

Reporters will phone precinct totals in major races to the newspaper office from the Board of Elections over a leased wire.

Cumulative returns will be made available to those calling 2593.

This, the turnout in the Kennedy-Nixon race two years ago was only 11,185.

Polls will open at 6:30 a. m. and close at 6:30 p. m.

ASIDE from the contest between incumbent Michael V. DiSalle, Democrat, and State Auditor James A. Rhodes, Republican, for the governorship, chief local interest is centered in the race for judge of Common Pleas Court.

Vying for the office, which will pay \$9,973 a year when the new term begins Feb. 8, are Mrs. Evelyn W. Coffman, Republican, and Reed M. Winegardner, Democrat. Mrs. Coffman defeated the incumbent, Judge John P. Case, in the primary last May. The term is for six years.

The other county contests are: For county commissioner—Robert Mace, Democrat, vs. Max Lawrence, Republican. The winner will take the \$3,100 job now held by Commissioner Clifford Hughes, Republican, who did not seek re-election. The term is for four years.

For state representative—Belford Carpenter, Republican, is making his second bid to unseat Virtus J. Kruse, incumbent Democrat, for the \$5,000 a year post.

Yemeni Rebels Threatening To Invade Main Arabia Port

DAMASCUS, Syria (AP)—A deepening crisis over Yemen threatened today to touch off a Middle East conflict pitting conservative monarchies against President Gamel Abdel Nasser's United Arab Republic.

On one side are the royal strongholds of Saudi Arabia and Jordan and on the other the Yemeni revolutionary regime backed by the U.A.R.

The crisis touched off by the overthrow of Yemen's ancient throne in September reached a new fever point Sunday with threats by the rebel regime to invade Saudi Arabia's main southern port of Qizan and the interior city of Najran.

Saudi Arabia and Jordan are supporting attempts by the deposed Yemeni king, Imam Mohammad Al-Badr, to regain his throne. The United Arab Republic has sent planes and tanks and perhaps 1,000 soldiers into the tiny Red Sea country to aid the revolutionary regime.

Yemeni revolutionary President Abdullah Sallal voiced the invasion threat against Saudi Arabia as that country's radio claimed royalist warriors now control Yemen's entire northwest.

Communications purporting to come from Al-Badr's headquar-

ters claimed hundreds of rebels, including many U.A.R. troops, had been killed in the fighting. The communiques said that in northern Yemen royalist forces have tightened their siege of the region's capital of Sana.

Sallal disputed the claims, saying that his U.A.R.-supported army and air force crushed "a large-scale Saudi invasion" and that the entire northwest region where the fighting occurred was now "completely under republican control."

He claimed nearly 4,000 invaders were killed in four days of fighting.

In Cairo, the government-owned Middle East News Agency said Yemeni tribesmen had been forced at gunpoint to join the Saudi Arabians in attacking northern Yemen. A U.A.R. military spokesman scoffed at Saudi and Jordanian radio claims of high Egyptian casualties. "We lost only two men," he said.

At U.N. headquarters in New York, a member of the kingdom of Yemen delegation, which is still loyal to the monarchy, said that Al-Badr's forces had captured 180 Egyptians and held all the country outside the largest towns.

THREE LOCAL ISSUES are on the ballot in the county: Washington city school district is seeking renewal of a 2-mill (Please Turn To Page 2)

High-Altitude A-Tests End

4th Straight Shot Fired Over Pacific

HONOLULU (AP)—The United States has lowered the curtain on its Pacific high-altitude nuclear test series by detonating an unspectacular low-yield device over Johnston Island.

The shot was the fifth success in nine high-altitude tries this year, and represented a breakthrough in the series. Only two weeks ago, the United States had one success and four failures on its scorecard.

Four straight "winners" put the program on the plus side. Then Joint Task Force 8 announced the completion of the long, drawn-out series which should have ended last July.

After treating the Hawaiian Islands to two magnificent auroral displays, one which was seen from New Zealand to Alaska, and two lesser sights, scientists at distant Johnston Island bowed out with a relatively small explosion.

In Honolulu, some 750 miles away, it appeared only as a blue and white flash of light, although it had the strength of the atom bomb that leveled Hiroshima in 1945.

The low-yield device was lifted skyward from its Johnston Island launching pad by an Army Nike-Hercules rocket. It marked the first use of the Nike as a nuclear carrier in altitude testing, and was the first occasion on which a device had been exploded at the scheduled time.

Saturday's success apparently had no effect on transpacific communications. The Federal Aviation Agency and the Air Force reported their radio channels remained normal during the test. The same word came from civilian airlines and communications agencies.

Opponents contend the amendment is a subterfuge designed only to legalize milk and food sales on Sunday. A simple majority is required to write the so-called blue laws amendment into the Ohio Constitution.

For the first time since Ohio changed over from two-year to four-year terms for state officials, all will be elected simultaneously Tuesday. Voters, with all the ruckus in the governor's race, have heard relatively little from the other candidates.

Some of the side issues in the gubernatorial race have been at least temporarily shelved and the nominees for governor have had their traditional Saturday-before-election debate before the City Club in Cleveland. That one-and-only head-to-head encounter of the entire campaign produced little, if anything, new.

So far as the campaign is concerned, at least, a 13-2 vote of the Franklin County grand jury late Saturday laid to rest DiSalle's charges of fraud in connection with the purchase of adding machines by examiners employed in auditor Rhodes' office.

(Please turn to Page 8)

Governor Race Tops Interest

Little Change Seen In Congress Results

COLUMBUS, Ohio (AP)—A jury of about 3.8 million Ohio voters will reach its decision Tuesday on a hammer-and-tongs contest for governor and on a somewhat more subdued race for U.S. senator.

Little if any numerical change is expected in the Ohio congressional delegation which Republicans now control 16-7, but the extra U.S. House seat Ohio picked up in the 1960 census is expected to go to the GOP.

Voter decisions on eight other statewide races will be forthcoming as well as a ruling on one proposed constitutional amendment.

Only one contest appears to have captured public interest. It is the race for governor between Democratic incumbent Michael V. DiSalle, seeking a second four-year term, and Republican State Auditor James A. Rhodes. Their rugged battle for top spot in the Buckeye State has gone right down to the wire with most observers calling it a tossup. However, Jack Bell, Associated Press political analyst in Washington, D.C., reported his Ohio contacts give the edge to DiSalle.

Democratic U.S. Sen. Frank J. Lausche, a conservative with a reputation for independence, is a solid re-election favorite over Republican John Marshall Briley of Toledo. Lausche's recent hospitalization because of an illness his aides say was induced by exhaustion does not appear to have affected his role as heavy favorite.

Republican Robert Taft Jr. of Cincinnati is rated practically a shoo-in for the new post of congressman-at-large over Democrat Richard D. Kennedy of Cleveland. Kennedy, a political unknown, emerged the Democratic nominee last May from a pack of 11 candidates, but Ohio Democratic leaders have ignored him since then, largely because of his conservative civil rights views.

The constitutional issue up for decision was taken directly to the ballot by initiative petition. The sponsor, a large milk company, asserts the amendment would clarify Ohio's confused Sunday-closing law situation by providing that no law or local ordinance could prohibit the Sunday sale of a specific group of goods and services—including milk and milk products.

Opponents contend the amendment is a subterfuge designed only to legalize milk and food sales on Sunday. A simple majority is required to write the so-called blue laws amendment into the Ohio Constitution.

For the first time since Ohio changed over from two-year to four-year terms for state officials, all will be elected simultaneously Tuesday. Voters, with all the ruckus in the governor's race, have heard relatively little from the other candidates.

Some of the side issues in the gubernatorial race have been at least temporarily shelved and the nominees for governor have had their traditional Saturday-before-election debate before the City Club in Cleveland. That one-and-only head-to-head encounter of the entire campaign produced little, if anything, new.

So far as the campaign is concerned, at least, a 13-2 vote of the Franklin County grand jury late Saturday laid to rest DiSalle's charges of fraud in connection with the purchase of adding machines by examiners employed in auditor Rhodes' office.

(Please turn to Page 8)

Senator Lausche Still Improving

WASHINGTON (AP)—The condition of Ohio's senior U.S. senator, Frank J. Lausche, continues to improve, and aide reports. Lausche, who seeks re-election in Tuesday's balloting entered the hospital last week after complaining of fatigue and chest pains.

Your Vote Is A Precious Freedom: Exercise It Tuesday

Lodge-Kennedy Showdown Near

Most Massachusetts Polls Give Nod To Ted

BOSTON (AP)—The heavy guns of the feuding Kennedy and Lodge clans are moving onto the fringes of the Senate fight between Edward M. Kennedy and George C. Lodge.

President John F. Kennedy is due in Boston tonight to cast his vote for younger brother Ted. He will fly back to Washington Tuesday morning without actively campaigning but the brief visit is widely interpreted as a move to enhance the candidacy of Ted and the rest of the Democratic ticket.

The President has sent an absentee ballot, but if he votes in person, his absentee ballot will not be counted.

Lodge's father, Henry Cabot Lodge Jr., former U.S. ambassador to the United Nations, made his first campaign appearance Sunday night at a Republican rally. He took a bow but did not speak.

The contest between Ted and George is round three in an inter-family battle for Senate seat that has been held by either a Kennedy or a Lodge for 45 of the last 69 years.

President Kennedy defeated Henry Cabot Lodge Jr. for the seat in 1952. The original Henry Cabot Lodge turned back a bid by John F. Fitzgerald, the Kennedys' grandfather, in 1916.

Both candidates have soft-pedaled the family aspects of the race. But Republicans have read a kinship meaning into Ted's campaign slogan: "He can do more for Massachusetts."

Most polls favor Ted to win, possibly as much as 400,000 votes out of an expected two million cast. But George's campaign manager, Paul Grindle, using his own statistics, insists: "It's still a horse race."

A third candidate, Harvard history Prof. H. Stuart Hughes, grandson of the late Chief Justice Charles Evans Hughes, is not expected to corner more than 2 per cent of the vote.

Driver, 19, Hurt As Car Leaves Road

A 19-year-old youth escaped with minor injuries after his car was demolished in a single-car accident on Harrison Rd. about five miles north of Bloomington late Saturday night.

William C. Langley, Rt. 1, Mt. Sterling, was admitted at 11 p. m. to Fayette Memorial Hospital where he was treated for face bruises and knee lacerations.

He was later released. Sheriff's Deputy F. H. Perone said the youth's speeding car ran off a curve, plunged into a ditch and crashed against two concrete fence posts on the Lewis Redd farm. Perone cited Langley for reckless operation.

SHERIFF'S officers and police investigated three other traffic accidents in the city-county area during the weekend. All occurred Saturday afternoon and early evening.

At 1 p. m. Saturday, a commercial tractor-trailer assembly, driven by Keith Killian, 40, Washington, Ind., hit and killed a 400-lb. Hereford calf on CCC Highway-W, about seven miles west of Washington C. H.

The truck driver said about six calves suddenly entered the highway from the West Fork Rd., and that he skidded about 180 feet before striking one of them. The cattle are owned by John A. Peterson, West Fork Rd. The owner did not state the value of the calf that was killed.

Another calf was killed on Rt. 35-N about 6:45 p. m. Saturday by a car driven by Emma J. Weidner, 51, Dayton.

Neil Garringer, Rt. 35-N the owner, said the calf was valued at approximately \$65.

Sheriff's Deputy R. W. McArthur investigated both mishaps.

Police were called to the Market and Columbus Ave. intersection about 7 p. m. when a car driven by Robert Lee Estep, 31, of 220 Henkle St., was struck from behind by one driven by Donald Lee Moore, 27, Sabina. Both vehicles sustained only light damage. There were no arrests.

Cutting Case Is Postponed

Hearing on a charge of cutting with intent to wound against Ellis Ison, 41, Rt. 3, has been continued in Municipal Court until Wednesday morning.

Ison was arrested on an affidavit signed by Sheriff's Deputy Robert L. Cannon for allegedly attacking Harry Riley, 69, Rt. 3, with a knife while the two were in a car near Ison's home near Octa last Thursday.

Ison is being held in the county jail in lieu of \$1,000 bond.

Animals feel pain less than humans do because their nervous systems are not as highly organized.

Deaths, Funerals

Mrs. Minnie B. Carr

JEFFERSONVILLE — Mrs. Minnie Burn Carr, 62, mother of Jeffersonville Police Chief Robert L. Carr, died at 1:25 a. m. Monday in Fayette Memorial Hospital where she had been a patient two weeks.

A native of Paulding County, she came to this community when very young. For the past 35 years she had been a resident of Fort Wayne, Ind.

She was a member of St. John's C.M.E. Church in that city.

Besides her son, she is survived by her mother, Mrs. Maggie Burns, a brother, Earl P. Burns, and a sister, Mrs. Mae Baker, all of Jeffersonville.

Services will be at 2 p. m. Wednesday in the First Baptist Church, with the Rev. Howard Gray officiating. Burial will be in Fairview Cemetery.

Friends may call at the Morrow Funeral Home after 7 p. m. Monday.

Mrs. Gertrude Kiefer

Mrs. Gertrude Kiefer, 77, widow of the Rev. Harry Kiefer, died at 8:25 p. m. Sunday in Fayette Memorial Hospital where she had been a patient since Wednesday.

Mrs. Kiefer's husband, who died in 1951, was a retired Methodist minister. They came to Fayette County from Solotville in 1926 and lived on Anderson Rd. for many years. For the past 16 months Mrs. Kiefer had been a resident of the Hurler Nursing Home, 716 Clinton Ave.

She had been in failing health two months.

Her only survivor is a nephew, Richard Gable, Roanoke, Va.

Services will be at 10 a. m. Wednesday in the Parrett Funeral Home where friends may call after 7 p. m. Monday. The Rev. Lester Litton, Good Hope, will officiate.

Burial will be in Wheelersburg Cemetery, near Portsmouth.

MRS. LUTHER SEXTON—Services for Mrs. Lottie K. Sexton, 78, wife of Luther Sexton, 425 Van Deman St., were held at 2 p. m. Saturday in the Kirkpatrick Funeral Home here by the Rev. Lester Litton, pastor of the Good Hope Methodist Church. Mrs. Sexton died Thursday evening.

Burial was in Washington Cemetery with Duane Baker, John D. Bryan, Donald Schwaigert and Harry, Ralph and Phil Douglass the pallbearers.

FRANK A. COE — Services for Frank A. Coe, 76, West Lancaster Rd., were held at 2 p. m. Sunday in the Morrow Funeral Home, Jeffersonville, with the Rev. Robert B. St. Clair, pastor of the Jeffersonville Methodist Church officiating. Mr. Coe, a retired farmer, died Thursday.

Knights of Pythias services were held in the funeral home Saturday night.

Pallbearers for the burial in Fairview Cemetery were Hugh Creamer, Frank R. Marshall, Clyde H. Rings, Roy E. Young, J. Gilbert Coil, George T. Combs, M. L. Lyons and Leonard C. Allen.

Area Deaths

DORMAN KELLIS — Services were held at 1 p. m. Monday in the Murray Funeral Home for Dorman K. Kellis, 40, formerly of Greenfield, who died from suffocation in a rooming house fire in New Albany, Ind., Thursday.

BLANCHE COWDEN — Services will be at 2 p. m. Tuesday in the Fisher Funeral Home for Mrs. Blanche J. Cowden, 546 N. South St., who died Sunday.

Heavy Local Vote

(Continued from Page 1)

operating levy to meet current expenses for the tax years of 1963 through 1972.

Perry Twp. voters will ballot on a local option question: "Shall the sale of spirituous liquor by the glass be authorized within the local control district designated as Perry Twp., Fayette County, Ohio?"

A few residents of the northwestern part of the county will vote on a \$65,100 bond issue and a 2½ mill tax levy presented by the Greeneview school district of Greene County. The bond issue is for construction and equipping of a gymnasium addition to the new Greeneview High School. The levy is a new tax for current expenses for 10 years.

All three require a majority for passage.

ALL STATE liquor stores will be closed on election day, in compliance with state law. In addition, the law prohibits the sale of high-powered beer, wine, mixed drinks and spirituous liquor between the hours of 6 a. m. and 7:30 p. m. on that day.

The Ohio State Employment Service office will close at noon Tuesday. Persons who normally file unemployment compensation claims that day should do so before 11 a. m. Mrs. Matilda Jo Smith, manager, said.

IT'S SO EASY TO PLACE A WANT AD

Drivers Fined, Jailed On DWI Charges

Judge Max G. Dice fined six traffic offenders a total of \$335 in Municipal Court Monday. Four others who failed to appear in court on traffic charges forfeited \$80 in bonds.

Earl L. Peters, 55, of 1343 Willard St., was fined \$250 and costs and sentenced to three days in jail, after being found guilty of driving while intoxicated. He was arrested Friday afternoon on Circle Ave. by City Patrolman Dean Cox.

Peters was fined an additional \$50 and costs plus five days in jail for driving while his operator's license is under revocation and \$25 and costs (suspended) for reckless operation.

David Hugh Ritchie, 28, Waverly, was fined \$200 and costs and sentenced to three days in jail in Municipal Court Saturday after being found guilty of driving while intoxicated.

Judge Max G. Dice also ordered his driver's license suspended for three years.

A \$25 fine and costs were imposed against Ritchie on a charge of reckless operation. The fine was suspended.

Ritchie was arrested by Sheriff's Deputy Robert L. Cannon Aug. 2 on the CCC Highway W.

Others fined Monday were: William Curtis Langley, 19, Rt. 1, Mt. Sterling, \$10 and costs for reckless operation on Harrison Rd., five miles north of Bloomington;

Phillip Grooms, 33, Rt. 2, James-town, \$10 and costs for speeding 75 miles an hour in a 60-mile zone on Rt. 22-E;

Harry Kimmey Jr., 18, Staunton, \$5 and costs for excessive noise on Clinton Ave.;

Robert L. Deakney, 20, of 224 Draper St., \$5 and costs for operating without sufficient lights on W. Court St.;

Forfeiting bond were: Donald L. Moore, 27, Lees Creek, \$20, speeding 70 miles per hour in a 50-mile zone on Rt. 62-S;

Homer J. Wilt, 27, of 160 Oakland Ave., \$20, reckless operation on Forest and Temple Sts.;

Floyd Robinson, 25, of 812 Vine St., \$20, excessive noise on E. Temple St.;

James Edgar Boggs, 38, Tipp City, \$20, speeding 52 miles per hour in a 35-mile zone on Dayton Ave.

In one other traffic case handled Saturday, Wheeler W. Miller, 66, Clifton, forfeited \$20 bond when he failed to appear to answer a charge of speeding 60 miles an hour in a 35-mile zone on Rt. 35-N.

Police Cruiser Kills Boy, Hurts Mother

COLUMBUS, Ohio (AP) — A mother and her 5-year-old son, cutting across a Columbus street to report an automobile accident, were struck Sunday night by a police cruiser going to the scene of another accident.

The boy, Clay Allen Borders, died in Children's Hospital about four hours after the accident. His mother, Mrs. Sarah Borders, was reported in fair condition at Grant Hospital.

Police said the officer, Patrolman Wilber Ehlers, 32, has been exonerated. Ehlers said he was going less than 25 miles an hour when the pair suddenly started across the wet street in front of him. They were not in a cross walk.

Courts

DIVORCE GRANTED

Margene Mitchell, Jeffersonville, has been granted a divorce in Common Pleas Court from Jack R. Mitchell, Jeffersonville, on grounds of neglect of duty. A property settlement was approved. No disposition was made as to the custody of two minor children because Juvenile Court had previously assumed jurisdiction.

SUIT FILED

Mercy Hospital, Hamilton, has filed suit in Common Pleas Court against David A. Huffman, Rt. 2, Washington C. H., for recovery of a \$688.80 debt which, the petition states, has been due and owing for hospital services since May 5, 1960. The petition asks judgment for the full amount plus 6 per cent interest from the date and payment of the cost of the action.

COGNOVIT JUDGMENT

The Fayette County Farm Bureau has been granted judgment against Dwight Summers, Rt. 2, Mt. Sterling, on a cognovit note in the amount of \$632.05.

WHS Band Appears At UC Grid Game

A busy weekend ended about 8:30 p. m. Saturday for the 136-piece Washington High School Marching Band.

After playing at the football game in Wilmington, the band went to Cincinnati Saturday to take part in the University of Cincinnati Band Day program during the halftime of the UC-Tulsa University football game, in which the UC Bearcats went down to a 24-18 defeat.

Between halves of the game the WHS Band joined 26 other high school bands, including two from Indiana and two from Kentucky, for a musical tribute to Henry Fillmore, famed composer of band music.

The band will give its final performance of the season in Garden Park stadium Friday night between halves of the Greenfield Tiger-WHS Lion football game.

Twenty-five seniors will march through the traditional hour glass in their last appearance with the band at a football game.

U.S. Pilot Killed Over Cuba Honored

WASHINGTON (AP) — A White House plane today carried home to South Carolina the body of Maj. Rudolf Anderson, a flier who perished in a reconnaissance mission over Cuba.

The 35-year-old Air Force pilot will be buried Tuesday with full military honors in a private cemetery in Greenville.

The long trip home started Sunday in Havana when Anderson's remains were transferred by Cuban authorities to the care of the Swiss ambassador, Emil A. Stadeler.

A cargo plane painted white and carrying the Swiss flag carried the body to Miami. The United Nations and the Swiss government had arranged the return and one passenger was Brig. Gen. Idarjit Rikhye of India, military adviser to U.N. Acting Secretary-General U Thant.

Soviet Ousts Another U.S. Embassy Aide

MOSCOW (AP)—For the third time in a month the Soviet Union has accused a member of the U.S. Embassy staff of spying and ordered him out of the country.

The State Department termed the latest charges, against Richard Carl Jacob, a secretary-archivist, "a complete fabrication."

Jacob, 26, was accused of "maintaining secret liaison with a spy on the territory of the Soviet Union."

Tass, the Soviet news agency, said he was "caught redhanded while removing intelligence data from a secret hiding place in the entrance hall of house number 5-6 in Pushkinskaya Street in Moscow."

The nature of the material, said Tass, established "beyond a shadow of a doubt" that Jacob was in contact with an undercover agent.

An embassy spokesman said Jacob was arrested Friday, forced into a car and detained for 2½ hours at a militia station. The embassy protested to the Soviet Foreign Ministry that he had been illegally detained in violation of the diplomatic immunity to which he was entitled.

The embassy refused to say what Jacob was doing when he was picked up.

Tavern Fighters Appear In Court

Three men charged with disorderly conduct by fighting were fined \$10 and costs each and given 10-day suspended jail sentences in Municipal Court Monday morning.

They were Charles L. Calhoun, 21, and William Calhoun, 20, Greenfield-Sabina Rd., and John Calhoun, 28, Leesburg.

All three were arrested on affidavits signed by John Branham, owner of the Ranch House, 750 W. Elm St., following an altercation there Saturday night.

OHIO FIVE DAY FORECASTS

SOUTHERN AND CENTRAL
OHIO — Temperatures will average around seven degrees below normal. Normal high 53-61, normal low 35-39. Cold at first, then gradual moderating trend. Precipitation will total less than one-tenth of an inch. Chance of light showers Wednesday, snow flurries central Thursday.

Highway Toll Hits 19

COLUMBUS, Ohio (AP)—There were 19 fatalities on Ohio's highways over the weekend, the highest toll since Labor Day.

Warships of the United States carried figureheads from 1797 to 1909.

MTHS Closed By Heating Plant Failure

Miami Trace High School was closed by a heating plant failure Monday morning, but repairs had been completed shortly before noon, and classes in the new school will resume Tuesday.

Principal George R. Groh Jr. said that the failure occurred in one of two circulating units which force hot water through the heating conduits.

There are two alternate circulating units. The other developed trouble 10 days ago. Parts were ordered, but these have not arrived.

Groh said that custodians found a clutch failure in the alternate unit when they reported for work Monday morning. Bus drivers were notified immediately.

Gene Thompson, Miami Trace maintenance man, was able to get the unit back in service later in the morning.

Stock Market Shows Gains

NEW YORK (AP)—Stock market prices made a fairly good gain in active trading early this afternoon.

The Associated Press average of 60 stocks at noon was up .9 at 223.4 with industrials up 1.2, rails up .5, and utilities up .4.

Gains of key stocks went from fractions to around a point. Bigger advances were made by some of the "growth" issues.

The trend was generally higher among steels, motors, mail order-retails, aerospace issues, utilities, electrical equipments, rails, oils, tobaccos, and airlines.

General Motors was fractionally higher. Chrysler continued in active demand and kept a gain of nearly a point. Ford was fractionally higher, American Motors was steady, and Studebaker eased.

November 1, 1962

An Open Letter to the Voters at Fayette County:

Several people in the last few days have asked me to advise them as to which candidate for Common Pleas Judge I favored. I gladly told them, and I feel that this letter will state my position for the information of you all.

My acquaintance with Evelyn W. Coffman convinces me that she has had the experience to eminently qualify her to perform the duties which devolve upon a judge; and I firmly believe that she will discharge them fairly, impartially and fearlessly. She is middle-aged and active. Her health seems sound.

I urge this point most vehemently. She lives and maintains her home here. Her opponent never has maintained a home here. He lives in Columbus. Her opponent never has maintained a home here. He lives in Columbus. Examine the telephone directory and the City directory on this point. True; he has maintained his residence at a hotel here. That gives him the right to vote here. But I submit that a Judge should have a more intimate relation with the community and its people than that.

Sincerely,
W. S. Paxson

People... Places... and Things

Round about Fayette County

By B. E. KELLEY

Recently I saw a large framed picture of the 24 graduates of Washington High School in 1902. There were 18 girls and six boys in the class. Only two members of the group wore glasses.

Recently in a group of 22 boys and girls in their early teens, 18 out of 22 were wearing glasses. Checking a picture of a large number of students in Washington High School in 1915, I noticed that very few of them wore glasses.

I have noticed as the years have gone by, the number of people wearing glasses has increased at an alarming rate.

At the present rate of increase it would seem that nearly every one soon will be wearing glasses from the time they are a few years old.

I recently heard a food scientist state that much of the increase in defective vision is due to the kind of food the average person eats.

There is a course of very helpful eye exercises which I am told have worked wonders but I doubt if one in 100 persons takes any kind of eye exercises.

THOSE NIGHT CAPS

Used to be that entire families used night caps during cold weather, in order to protect their heads from cold since most homes were not properly heated, or at least the bedrooms were without heat.

The night caps usually were made of Canton flannel. In addition to fitting close to the head, they were equipped with strings which fastened under the chin.

Many people, particularly women and girls, also used lighter weight caps during warmer weather, to help keep their hair manageable.

In most houses heating was done with open fire places, including grates. Later stoves were installed. Unless these fires were replenished, houses were sure to be cold throughout the night during severe weather.

Some of the old timers also used another type of night cap in addition to fabric caps worn. This consisted of a drink of whiskey which was made right here in the community by a number of small distilleries and sold in stores at as little as 60 cents a gallon.

Those using the liquid "night caps" figured the alcohol would warm them up until they got the bed warm, and by that time they knew nothing about being cold.

FIFTY YEARS AGO

The railroad car shortage was serious, and 132 million dollars had been set aside by the roads to build new equipment.

Great numbers of wild geese were flying over, headed southward.

Jeffersonville was expecting to establish the first experimental free delivery of mail in a village of its size in the U. S.

A CH&D locomotive, spouting red hot cinders, set five fires in and near Washington C. H.

City Council, with John Durant dissenting, voted to purchase 28 acres of land at \$300 an acre, for extending the cemetery. Most of the land was creek-bottom which was flooded during high water.

Woodrow Wilson was elected president, carrying 40 states. James M. Cox was chosen governor by a record vote. Wilson defeated William Howard Taft, Republican, and Theodore Roosevelt, Progressive (Bull Moose). The heart of New Holland was threatened by fire when the John Liniger barn burned and the blaze spread to other buildings.

Clinton Countians were much disturbed when a saloon was opened in Lees Creek, where it developed no local option election had been held to control saloons.

Patrolman Robert Cogswell resigned after allegedly becoming drunk while on duty, and firing his pistol promiscuously. One bullet penetrated a house on N. Fayette St. He held a good record prior to his offense.

Frank Myers and Martin Cox opened a riding school with headquarters on Washington Ave. at McElwain St.

Farmers along Leesburg and

Stafford roads were to meet and discuss the matter of giving financial aid to a proposed inter-urban line from Hillsboro to Washington C. H. It was sponsored by Charles S. Sollars.

The next combination horse sale at the sales pavilion was to be held soon with 300 horses consigned. Jack Galvin, Jamestown, was manager of the Ohio Horses Sales Co.

J. M. Klever and Son held their annual sale of Poland China swine at their farm two miles south of Yatesville. Sixty head sold at an average of \$30, the top board bringing \$75.

Bandits held up an L&N passenger train near Birmingham, Ala., and obtained \$40,000.

Bloomington was having a building boom. The Masons were completing a new building and the Knights of Pythias were to erect a two-story structure on the opposite side of the street.

The Earl of Haig, a British soldier, organized the sale of the poppies on November 11. This day was later known as "Poppy Day."

A tree toad can change its color to blend with tree bark or the bright green of new leaves.

U.S. Economy Shows New Confidence

By ED MORSE

AP Business News Writer
NEW YORK (AP)—Wall Street, showing a new confidence with apparent settlement of the Cuban crisis, last week staged its greatest weekly advance in history.

On the basis of movements by the popular market averages, the week's gain widely exceeded that of the week ended Dec. 12, 1929, a record which stood until last week.

The Associated Press average of 60 stocks last week advanced 11.3 to 222.5, topping the gain of the 1929 week, which was 8.4. At that time the market was making a strong technical rebound from the black days of the October crash.

The arbitrary division of movements of the averages into comparable days and weeks, however, ignores the fact that in two consecutive trading days this year, May 29 and May 31 (separated by the Memorial Day holiday), the AP average made a bigger advance than it did this week, rising 14.3.

The Dow Jones industrial average this week made a great leap of 35.56 to close at 604.58—once

again breaking through the significant 600 level. The combined gain of the Dow industrials on May 29 and May 31 was 36.43.

Stock prices rose from the start on word of the United States-Soviet agreement to settle the Cuban crisis. As the urgency of the Cuban crisis faded, the market began to look like its old self and individual stocks reacted in traditional manner to news, forecasts and rumors.

Two days of strong advance came to a temporary halt as profit taking scrambled the list. Then the advance gathered renewed strength on Thursday as the financial community began to think about the possibility of a bullish outcome to the elections on Tuesday, when security markets will be closed.

The rally continued strongly on

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where a doctor's observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Women Are Index To Economy

NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

You can tell the condition of the nation's economy by the way women dress. "When things are booming," says fashion director Ruth Sellers, "bright colors and highly styled clothes are in vogue. But when a downturn occurs mid-lady's fashions become more conservative."

Prosperity Note: A luxury laundry here charges up to \$6 a yard for washing fine tablecloths by hand.

Ever wonder why a yawn helps wake you up and feel more alert? The act of yawning and stretching quickens your pulse, thereby giving you more pep.

Odd Jobs: Did you know some fellows in this country make a living as bosom pressers, belly men and neckers? But their jobs aren't particularly romantic. Respectively, they are laundry workers who press shirt fronts, men

who attach sounding boards to pianos, and necktie stitchers.

Busy Wives: The average American housewife now opens 800 cans and carries out 1,000 pounds of garbage a year.

Our Quotable Notables: "The ultimate effect of shielding men from the effects of folly is to fill the world with fools."—Herbert Spencer.

You can win money from your bartender by betting him he can't fold a piece of paper in half eight times. No matter how large and thin the paper, he won't be able to do it.

Apt. Definitions: Writer Hugh Mulligan says a complaining wife is a "vintage white."

Looking for an atomic age hide-away? Operators of 27 commercial caves in Missouri say they can shelter a million persons in an emergency. Lester B. Dill, operator of the huge Meramec Caverns in that state, says he already has made 5,000 reservations.

Somebody was wrong: The first

time George Gershwin, the noted composer, played the piano in a theater he was laughed off the stage by both the audience and his fellow performers. And who remembers their names now?

The high price of keeping calm: Americans spend about \$280 million annually on tranquilizers.

Worth Repeating: "The best way to keep teenagers out of hot water is to put some dishes in it." Arnold H. Glasow.

Tidbits: Ancient Romans ate beans at funerals because of a belief that the souls of the dead resided in them. The banjo has been called "America's only national musical instrument." Basketball draws more paid admissions than any other U.S. sport. Diamonds have been found in Arkansas, California, Indiana, North Carolina, Ohio, Virginia and Wisconsin.

It was William Shakespeare who observed, "God has given you one face, and you make yourself another."

By Hal Boyle

Letters To The Editor

EDITOR'S NOTE — We welcome letters to the editor. They must be signed by the writer with a complete return address. However the name and address will not be used in the published letter upon request of the writer. Opinions expressed in this column are those of the writers and not necessarily those of The Record-Herald.

EDITOR, RECORD-HERALD:

In recent years, those who would destroy our way of life have tried to lead us away from our belief in God, sap our spiritual and moral strength and substitute for it a spirit of materialism and indifference. They have taught us as a people to lean on the government for aid, for assistance, for the solution of personal and community problems.

Too much dependency on government is gradually destroying one of our basic faiths — a faith that helped make America free, prosperous and strong. That is faith in ourselves. Faith in our own ingenuity, resourcefulness and ability to take care of our own basic needs.

We cannot think in terms of weakness and remain strong. We cannot think in terms of fear and remain courageous.

We cannot think in terms of doubt and, at the same time, have faith.

We cannot permit propaganda of mental illness, juvenile delinquency and crime and remain stable honest citizens.

As men choose and change, they turn the course of history. The task is not hopeless. More than 40 new conservative candidates have been nominated for Congress and the election of 20 or more of them will provide a dynamic political force to stymie the present trend of national suicide.

In addition, about 30 conservative

congressmen, all of whom are under heavy fire in the Nov. 6, contest, must be re-elected.

We thank our Maker that in recent months the moral indignation of the American people is finally being awakened. No longer do we vote for just Democrats or Republicans, we must vote for men to save our country from destruction.

Let us hope that there are enough patriots willing to pledge their sacred honor to warrant the prediction that Nov. 6 will be the day the liberals lost control of America!

A Mother

GOP Is Hoping

(Continued from Page 1)

Local correspondents give the Democrats a small margin in efforts to hold on to the state, houses in California, Colorado, Connecticut, Ohio, North Dakota and Texas. They list greater certainty of retaining executive offices in Rhode Island, Maryland, Nevada and Alaska.

Democratic retention of the governorships of Alabama, Arkansas, Georgia, South Carolina and Tennessee is certain.

Only in New Mexico do the Democrats seem to have a good chance to turn out a Republican governor.

The governor races in New York, California, Pennsylvania and Michigan are drawing the lion's share of attention from both Republicans and Democrats.

In New York, GOP Gov. Nelson A. Rockefeller probably has to win big over Robert M. Morgenthau to preserve his position as a top prospect for the 1964 party nomination to oppose Kennedy.

In California, former Vice President Richard M. Nixon is stak-

The Nation Today

Associated Press News Analyst

WASHINGTON (AP)—The most interesting result of Tuesday's elections should be the effect—if any — on President Kennedy's handling of Congress the next two years.

For three reasons:

1. It's been a dull campaign, without burning issues. Then the Cuban crisis showed it under.

2. Kennedy will be laying the

foundations for himself to run

again in 1964.

3. The new Congress will probably be like the old: highly conservative, even though run by his own Democrats.

Predictions run like this:

The Democrats may keep their present Senate margin—44 to 36—and even pick up one or two seats; in the House—where they outnumber Republicans 253 to 174—they may lose a few seats.

That's not much change. A Senate pretty much the same and a House with just a few more Republicans won't make any noticeable difference in their attitude toward Kennedy programs.

The attitude has been strong support on foreign issues and, in this fairly prosperous society, defeats or melting down on many domestic ones.

It was easy to get the impression from Kennedy's campaign oratory that this present Congress was one of the great ones. He glossed over his defeats.

The campaign's biggest unanswered mystery, if this was such a whiz-bang Congress, was why he felt he needed even more Democrats elected.

Even though the new Congress probably will be much like the old one, Kennedy will have to examine his approach to it. The way it treats his programs may affect his own chances for re-election in 1964.

So far he has been an arm-twister to get Congress to go along with him, either by direct appeals or through his aides.

He has deliberately avoided personal conflicts with the men thwarting him (this was former President Eisenhower's technique) and he generally refrained from broadcast appeals to get the public to pressure Congress.

If he continues to use the same mild technique the results should be about the same because the

James Marlow

men in Congress will be pretty much the same.

More aggressive and outspoken dealings — particularly with appeals for public support — could have unpredictable results unpalatable to Kennedy who has played very careful politics.

In the end what the new Congress does, or doesn't do, on domestic issues may not count much in the next presidential election. It's the way he handles foreign affairs these next two years which may shape Kennedy's political future.

Life after 40

Social Security In Ireland

By Robert Peterson

Those who complain about our U. S. Social Security program may ponder whether they'd prefer participating in the equivalent plan launched in Ireland last year.

The Irish system of social security requires that employee and employer each contribute 20 shillings, or \$2.80 per month. The system is mandatory for manual workers who make up to \$2,200 annually — which means the majority of workers. It is voluntary for manual and non-manual workers making more than that figure.

It is not until the workers hit 70 that he is entitled to start drawing his old-age benefits. And the benefits are not much to shout about, considering that they come to about \$23 a month.

In the U. S., the employee and employer each contributes a maximum of \$13 per month to the social security system. The individual is then privileged to retire at 62 if he wishes.

And the figures indicate that social security benefits being received by retired Americans these days average about \$75 a month.

PERHAPS the biggest advantage the Irish enjoy is their low-cost health care. Ireland does not have socialized medicine, but most hospitals are subsidized by the famed Irish Sweepstakes, which is run for the benefit of Irish hospitals and attracts loose change from the pockets of chance-takers on both sides of the Atlantic.

A quarter of the take from the Sweepstakes is allocated to hospital budgets, with the result that the average cost in an average ward in an average hospital is about eight guineas a week, or \$24. Compare this with average ward costs in American hospitals, which

was recently shown to be nearly \$150 per week!

Although Irish doctors receive no Sweepstakes subsidies, their fees are surprisingly modest. The usual charge for visiting a doctor at his office is around 10 shillings, or \$1.40.

THERE'S AN active "Meet the Irish" program. If you wish to fraternize with congenial natives while visiting Ireland, you may write Mrs. Peter Owens at the Dublin Tourist Office setting forth your occupational and hobby interests. Then, at no cost, Mrs. Owens will line up a Dublin family in a similar occupational and interest group who will have the welcome mat out when you are able to call.

The program, modeled after the successful "Meet the Danes" program in Copenhagen, was launched early this year and, according to Mrs. Owens, has proved a great hit with tourists and hosts alike. She says some of the most hospitable hosts on her roster are retired Irish couples who enjoy nothing better than inviting overseas visitors into their homes.

IT'S ODD that some enterprising American hasn't latched on to the "Aunts' Unlimited" scheme, which flourishes throughout the British Isles.

This is a chain of eminently respectable, franchised employment offices which recruit dependable, mature women for jobs as babysitters, governesses, nurses and companions.

Passing their Dublin branch, I stepped inside for a look and was slightly startled when a receptionist smiled and asked, "Can we find an aunt for you?"

Dear Abby:

by Abigail Van Buren

Weddings Held Under Water

DEAR ABBY: Approximately 25 years ago, as a reporter, I covered (from the surface) a wedding in which all participants were clad in diving suits of the bulky, weighty type, with helmets and air hoses to the surface. The ceremony took place on the floor of Green Lake in the city of Seattle. The words of the ritual, along with the bubbles came to the surface over a loudspeaker. A crisis arose when the clergyman's vestments developed a small leak, but he managed to pronounce the happy couple man and wife before the situation became critical. I never did hear whether the marriage remained solid or was dissolved.

Sincerely,
WILFRED BROWN

DEAR ABBY: I recall reading about a couple from Atlanta, Georgia, who fell in love while diving, and wanted to be married under water. They had their underwater wedding, but the Methodist Bishop of Atlanta thought they should take "the plunge" in a more spiritual atmosphere, so he married them again, on land, the same day.

MIKE N.

proofed and so had the groom's tuxedo. Even the wedding cake and Bible were under water, so I suppose they were also waterproofed. They had bridesmaids and ushers just like a dry land wedding. The only difficult part was that they all had to have 25 pound weights in their shoes to keep from floating around.

READ ABOUT IT

DEAR ABBY: I am 10 years old and want to get married on the moon. Do you think they will have a rocket ship that will get to the moon by the time I am old enough to get hitched?

NEAL S.

DEAR NEAL: Hitch your wagon to a star, son. Your chances are good. (And if you have a sister, take her along. I understand there is a man in the moon.)

What's on your mind: For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.

About 55 per cent of fatal traffic accidents in the United States occur at night.

Inside You And Yours

By BURTON FERN, M. D.

When should you take a cross-eyed child to an eye specialist?

Whenever you decide the eyes aren't normal!

Because Baby can hardly see, his eyes can't work as a team. During the first few years each eye wanders independently.

As sight sharpens, the eyes learn teamwork. Like two cameras, each views from a slightly different angle. The brain blends these two images into stereo vision.

When the eyes focus for close-ups, they automatically turn in.

Look at the tip of your nose and you'll see.

Some children are farsighted. Their eyes have to focus extra-hard to see near objects. Mistaking this extra focus for an ordinary close-up, the eyes turn in and cross.

Eyes Corrected

When eyeglasses correct farsighted eyes, they don't have to strain to focus and the eyes stop turning in.

Some babies are born cross-eyed.

One of the tiny muscles that move eyes in all directions may be weak or extra long. The stronger opposing muscle pulls the eye out of line. The eye may turn in or out and up or down.

Whenever you notice this unbalanced pull, consult an eye specialist (ophthalmologist).

Double Vision

As your youngster grows, he'll see double. He may learn to meld this double image into one or block out the signals from the bad eye. After a few years this self-taught blindness can become permanent.

The doctor won't operate at once. He'll merely patch the good eye, forcing Baby to use the bad eye. Later, he'll tailor that loose muscle to proper length and correct the unbalanced pull.

Special Exercises

After surgery your youngster may look better than he sees. Used to seeing a single image through crossed eyes, he may now see double. Only special exercises can keep the eye from drifting back to its old crossed position.

Optical push-ups firm and tighten that newly shortened muscle.

Americans now own 70 per cent of all the world's passenger cars. We now have one automobile for every 3.4 persons in this country.

A "classic" automobile is one of pre-World War II vintage. A genuine classic costs almost as much as a new car.

International Influence Dominate Business

NEW YORK (AP)—International influences have been dominating the nation's business scene. They ranged from the continuing Cuban crisis to plans for peaceful trading with nations abroad.

And on the domestic front there was controversy over whether the employment situation is improving, and renewed calls for an income tax cut to get the economy rolling.

Cooling off of the Cuban crisis at the week's start eased anxieties about what hostilities would mean for business and the economy as a whole.

Soviet Premier Khrushchev's agreement to remove missiles from Cuba brought a spurt to the stock market, which had slumped the previous week when war possibilities were at their peak.

The convention of the National Foreign Trade Council in New York served as a sounding board for much of the talk about how this country can improve its trade with other nations and correct the imbalance of international dollar payments.

Secretary of Commerce Luther H. Hodges told the 2,000 international businessmen attending that industry and the government must cooperate closely if there is to be an improvement in foreign trade.

"If we can have hand-in-hand help from business in the negotiations ahead, if we can have hand-in-hand effort by industry to make itself more competitive, the new trade act will be the vehicle for economic growth and a stronger position abroad," Hodges said.

Replying, Chairman Leo D. Welch of Standard Oil Co. (New Jersey) promised industry support but said, "We must have economic policies which create a climate for investment and growth."

These statements came against a background of rather spotty reports on the subject. The Federal Reserve Board reported that the U.S. balance of payments deficit turned down sharply in the July-September quarter. The payments deficit reached an annual rate of \$2.6 billion against \$872 million in the preceding three months and \$1.8 billion for the first nine months. However, the Commerce Department said civilian exports in September exceeded imports by \$1,935,900,000 to \$1,467,800,000 a bigger margin than in August. Hodges said at the foreign trade convention that while the economy is expected to accelerate in a year to 18 months when effects of new 1962 tax rules are felt, federal tax cuts will be needed to give business a real shot in the arm.

Also speaking out for income tax reductions were Walter R. Heller, chief economic adviser to President Kennedy, and Per Jacobson, head of the International Monetary Fund.

The newest unemployment figures raised a dispute between the administration and Republicans. The total number of idle declined in October by 218,000 to 3,294,000 but the rate was 5.5 per cent of the work force. Secretary of Labor W. Willard Wirtz said the job situation was substantially better than when Kennedy took office in January 1961. But the Republican National Committee retorted that the rate was the same as in September 1960, when Kennedy, as a candidate, was critical of the unemployment situation.

U.S. Steel Corp., as expected, cut its quarterly dividend rate to 50 cents from 75 cents, becoming the fifth major steel company to slice its dividend in recent months.

Despite the poor earnings showing of the steel industry, corporate profits generally appeared for a record this year. Third-quarter reports by 518 companies showed a nine per cent increase over the 1961 third quarter.

General Motors Corp., the nation's biggest manufacturer, posted record earnings of \$962 million and record sales of \$10.45 billion for the first nine months.

With sales booming, the fourth

quarter looked like another good one for the automobile industry. It seemed likely that sales of new passenger cars in October may have exceeded the all-time monthly record of 702,500 set in April 1955.

Production in October soared to

a new high of 728,367 cars for the month. Output during the week was estimated at 165,000, about the same as the previous week, but far above the 152,940 a year ago.

Steel production attained a five-month high during the week in its

first gain in four weeks. Mills turned out 1,768,000 tons, up 1.7 per cent from the previous week.

Stock sales for the week totaled 20,072,355 shares, down from the 25,062,260 of the previous week but above the 17,949,230 for the comparable week of last year. Bond

sales amounted to \$23,899,000 par value, below the \$30,673,000 of the previous week and the \$30,237,000 for the comparable 1961 week.

Sleepwalking episodes are more frequent in the young, especially during adolescence.

Open House Thursday At Dayton VA Center

DAYTON — An open house will be held at the VA Center here Thursday from 1 - 4 and 7 - 8:30 p.m. in observance of Veterans Day.

An Exhibits-O-Rama will be featured in the Recreation Building. It will include displays and demonstrations covering practically

every area of hospital care and treatment. Also on the program will be music by the Center Band and exhibition bowling. The public is invited.

The government of the United States began taxing cigars back in 1878.

Shot Too Soon, Eh!

1 PROPOSED CONSTITUTIONAL AMENDMENT
RELATIVE TO THE SALE, PROCESSING OR RENDITION
OF CERTAIN COMMODITIES, PRODUCTS,
AND SERVICES ON SUNDAY.
(Proposed by Initiative Petition)
A majority affirmative vote is necessary for passage.

Proposing to amend Article I of the Constitution of the State of Ohio by adopting a section to be designated as Section 21, to read as follows:

Article I

Section 21. No statute, ordinance or regulation shall be passed or enforced whereby the sale, processing or rendition of the following commodities, products, or services shall be prohibited on Sunday or any other day of the week, to wit: gas, electricity, telephone, telegraph, public means of transportation or any other public utility service or product; newspapers, other news publications, radio, television, or other public communications service; household fuels; motor fuels and lubricants for automotive vehicles; prescriptions and proprietary drugs, and household medical supplies; products used for personal hygiene and sanitation; milk, milk products, any food item or food product for human or animal consumption.

<input checked="" type="checkbox"/>	YES
<input type="checkbox"/>	NO

SHALL THE PROPOSED AMENDMENT TO THE CONSTITUTION OF THE STATE OF OHIO PROVIDING THAT THE SALE OF CERTAIN ARTICLES AND SERVICES MAY NOT BE PROHIBITED ON SUNDAY OR ANY OTHER DAY OF THE WEEK IN THE STATE OF OHIO, BE ADOPTED?

- Neither the present Sunday closing law (passed in 1831) nor any subsequent court decision, has ever made any of the following items clearly legal for Sunday sale...
- GAS, ELECTRICITY, TELEPHONE, TELEGRAPH
 - PUBLIC TRANSPORTATION AND OTHER UTILITIES
 - NEWSPAPERS, OTHER NEWS PUBLICATIONS
 - RADIO, TELEVISION, OR OTHER COMMUNICATIONS
 - HOUSEHOLD FUELS
 - AUTOMOBILE FUELS AND LUBRICANTS
 - PRESCRIPTION AND PROPRIETARY DRUGS
 - HOUSEHOLD MEDICAL SUPPLIES
 - PRODUCTS FOR PERSONAL HYGIENE AND SANITATION
 - MILK AND MILK PRODUCTS
 - FOOD FOR HUMAN OR ANIMAL CONSUMPTION

Santa's Workshop To Be Nov. 16

"Santa's Workshop" the all-day exhibit to be held by the Home Demonstration and Garden clubs of Fayette County will be held Nov. 16, beginning at 11 a. m. and continuing till 8 p. m. in Persinger Hall of the First Presbyterian Church.

The clubs will hold open house for the public so that new ideas for Christmas cookery, decorating and homemade articles may be shown.

Each of the Home Demonstration clubs will have a table showing their projects of the year, and each will have at least one demonstration on the making of the project. There will be demonstrations on candy making, huck towel weaving, and various items for the home. Mrs. Elza Woodruff is chairman of the Home Demonstration club display.

Garden Clubs will show arrangements suitable for holiday decorations on doorways and as table arrangements. They will also furnish the Christmas tree and its decoration. Mrs. Wash Lough is contact chairman for the garden clubs.

Tea and cookies will be served throughout the day. The clubs are extending an invitation to all women of the community.

Twin Oaks Garden Club Will Meet

"Set the Theme for Christmas" will be the theme of the demonstration to be given by Mrs. Dana Kellenberger when members of the Twin Oaks Garden Club meet at the home of Mrs. Willard Bonham at 8 p. m., Wednesday.

Mrs. Kellenberger will show "wrappings and trappings" for Christmas and roll call will be answered by naming a Christmas party favor.

Fayette Garden Club Will Meet Friday

Mrs. Wash Lough will present the program, "God's Little Creatures", when members of the Fayette Garden Club meet at 2 p. m. Friday at the home of Mrs. John Weade.

Roll call will be answered by naming the insect most disliked and colored prints of insects will be shown.

Hostesses assisting Mrs. Weade will be Mrs. Ansel Kirkpatrick and Mrs. Claude A. Bruner.

Take time to clean sun glasses before wearing them, just as you would regular glasses. Doctors warn against smeared glasses.

meets with Mrs. Donald Rife, 1:30 p. m. Please note change of date.

State Dignitaries Visit Ladies Of The GAR

Ladies of the Grand Army of the Republic met in St. Colman's Hall with Mrs. Margaret Orr, department president, and Mrs. Elizabeth Stevens, past president of the Columbus Circle, as guests. Both are residents of Columbus.

The meeting was opened in ritualistic form by Mrs. D. D. Weinrich, acting chaplain.

Since this was inspection day for Ladies of the GAR, Mrs. Orr gave instructions and answered questions from members on correct ritual procedures. Mrs. Orr also gave a short talk and distributed tickets to the members for the state convention in the spring.

During the business meeting, conducted by the president, Mrs. Walter Parrett, reports were given by Miss Etha Sturgeon and Miss Mazie Rowe. Mrs. Milburne Barney, chairman, Mrs. Minnie Smith and Mrs. Gene Carman were appointed as a nominating

committee for the selection of officers at the next meeting.

Members voted to contribute a box of gifts to the Soldiers Home at Sandusky and to send money to the OS&SO Home, Xenia.

Announcement was made that the next meeting will be held in the GAR Hall, E. Court St., the former meeting place of the organization.

The December meeting will be a covered dish luncheon at the home of Mrs. Walter Parrett.

A tea honoring the state dignitaries followed the meeting. A patriotic color scheme was carried out in the table arrangements of red, white and blue carnations, and candles with miniature American flags. A variety of tea delicacies were served with Mrs. Parrett at the silver service.

Hostesses for the afternoon were Mrs. Emmitt Toops, Miss Florence Hidy, Mrs. A. H. Finley and Mrs. Frank Thompson.

Personals

Mrs. Richard Pence and Mrs. Sam Flory of Tipton, Ind., arrived Monday for a visit with Mr. and Mrs. Ed Moser.

Peggy Welsh, of Bellefontaine, was the weekend guest of Susie Reno and visited other friends here. Miss Welsh is a former resident of Washington C. H.

Guests of Mrs. Herbert Louis, New Holland, for Sunday dinner and the afternoon were Mrs. Jean Nisley and Mrs. Charlotte Timmons.

Mrs. Vivian Underwood, 425 Peddicord Ave., returned Saturday night from a month's visit in the West. She visited her son and daughter-in-law, Mr. and Mrs. Robert Underwood, in San Diego, Calif., and with friends in Los Angeles and Pasadena.

Mr. and Mrs. Larry Stephenson have moved from 7550 State Rd., to 15801 Mina Ave., Cleveland, 35. The Stephensons are former residents of Washington C. H.

Lunch Meeting Honors Authors

The 33rd annual luncheon meeting of the Ohioana Library Association was held Saturday at the Neil House, Columbus, honoring Ohio authors and composers.

The chief purpose of the library is the preservation of Ohio's cultural heritage as found in the works of Buckeye authors and composers. The library's collection is a repository of books and music about Ohio or Ohioans.

The library seeks to promote and publicize Ohio books and music and the state's cultural accomplishments in general.

Attending from Washington C. H. were Mrs. J. Earl Gidding, trustee; Mrs. Frank Mayo, Fayette County chairman; Miss Clara Davis, Mrs. Otis Core, Mrs. Virginia C. Otis, Miss Dorothy Anne Jones, Mrs. W. O. Beatty and Mr. and Mrs. B. E. Kelley. Mrs. Rufus Short, of Columbus, was a guest of Mrs. Otis.

A SOFTLY TAILORED theater costume of bias-cut black ribbed silk ottoman was designed by Hattie Carnegie. The sleeveless dress, with shaped skirt and softly carved bodice detail, is revealed beneath a matching jacket that is gently defined at the waistline, with notched collar and set-in sleeves.

Almost a billion dollars in coins is dropped into United States juke boxes during the course of one year.

Bloomingsburg PTO To Hear MTHS Choir Wednesday

BLOOMINGBURG — The Miami Trace Senior Choir will present the program when the Bloomingsburg Parent - Teacher Organization meets at 8 p. m. Wednesday in the school.

The 85 - voice mixed chorus, under the direction of David Bezona, will be making its debut. Teachers will conduct open house in their classrooms after the musical program.

A short business meeting will follow the open house. A report will be made on the recent Halloween festival, and committees will be appointed for the Christmas program.

Jordans Host Family Dinner

Dr. and Mrs. John G. Jordan were hosts at their home Sunday for a family dinner. The attractive recreation room was the setting for the dinner, served at two long tables centered with arrangements of white mums.

Present were: Mr. and Mrs. Mont Jones, Mr. and Mrs. Samuel Wilson and daughters, Vicki and Julia, Mr. and Mrs. Frank Creamer and children, Connie, Jimmy, Randy and Marilyn, Dr. and Mrs. John T. F. Jordan and daughters, Linda and Joanie and Mrs. Jessie Rosebaum, all of Washington C. H. and Mr. and Mrs. Ernest Houseman, Bloomingburg and Mr. and Mrs. Harry VanTrees of Columbus.

2nd Debut for Mother

Since She Had Her "Face Lifted"
at Home Without Surgery

The "Wiesbaden Discover" has now come to America and is available to you—if you want to really and truly make heads turn your way once more and again enjoy the rapt attentions that were bestowed upon you at the time of your first debut. You will look somewhat as though your face has been "lifted," a fresher, younger looking smoothness prevailing, which restores the extra and all-important lost impact to the beauty your facial features have always had. Medical and other scientific journals have sung their praise of this valuable scientific work (done in Wiesbaden, Germany) which now brings you a real second debut with all the excitement of being newly admired—actually stared at.

How 2nd DEBUT "lifts" Your Face

The active ingredient that enables 2nd DEBUT to youthfulize facial skin in such a short time is a heretofore unknown and living part of human skin. Our scientists designate it as CEF 600. Placed on the face, this natural ingredient immediately penetrates the outer skin layer and carries into it millions of tiny loads of pure water that skin has lost during the natural aging process. This water finds its way under natural wrinkles and as it accumulates there, it pushes these unwanted indentations upward. Progressively the face is "lifted." The face and neck look younger again. The result is actually startling to the user herself.

This ingredient (CEF 600), extracted from real tissue, is compounded into a smooth-flowing and delightful-to-use substance that is neither cream nor lotion. It is used nightly, and daily under-make-up, so that during 24 hours of the day it is carrying water into the skin to get you ready for your 2nd DEBUT.

We Have a Limited Supply—Because of the slowness and care with which CEF 600 is extracted, only a limited supply of 2nd DEBUT is available. The large 4 ounce size of 2nd DEBUT is \$3 plus tax. But so that no women needing 2nd DEBUT need be without it, you can get a one ounce clinical vial (a full 2 week supply) priced at \$1 plus tax.

Send me _____ Four Oz. size 2nd DEBUT \$3 ea.
Send me _____ One Oz. (clinical vial) 2nd DEBUT \$1 each. Check or money order for \$ _____ enclosed.
Please include 21¢ postage (Add 10% for Federal Tax)

U.S. Intelligence Agents Kept Close Watch On Cuba

EDITOR'S NOTE — This fourth article of Belman Morin's five-part series on the Cuban crisis tells how the United States pieced together evidence of the Soviet military buildup.

By BELMAN MORIN
WASHINGTON (AP) — Imagine a strip of photographic film, 20 to 30 feet wide, some six miles long.

Cut in sections, it is stretched across the floor. Photo analysts, on hands and knees, crawl around on the pictures, peering at them through stereoscopes, special magnifying glasses. The technicians note any detail of change in terrain. More especially, they look for objects on the sites that weren't there yesterday.

They chart the birth of a crisis, a Soviet nuclear threat to the United States swiftly taking shape on Cuban bases.

Beginning Monday, Oct. 15, says a chief of intelligence, American

pilots flew six and seven photo reconnaissance missions over Cuba daily.

"We blanketed the island," he says. The planes brought back miles of film.

Today, you look at a sequence of pictures taken above a missile site. The first shots show empty country. Then, apparently out of thin air, construction becomes visible in succeeding days—anti-aircraft, a half-completed security fence, prefabricated concrete arches, a batch plant for making cement, launching pads, fire control bunkers, an earth-molded structure, revetments.

It was this evidence that impelled President Kennedy to declare a quarantine on shipments of offensive weapons to Cuba, and to demand the dismantling of the missile sites already built.

Republicans have attacked Kennedy on the ground that he acted too slowly.

But a top intelligence agent gives this version:

Late August — Cuban refugees report the arrival of Soviet technicians in Cuba and the erection of rocket launchers. The refugees are carefully interrogated. Checks on the sites show they are surface-to-air launchers, and "cruise sites," coastal missile artillery. Their range is too short to reach the United States.

Mid-September — A U2 plane belonging to the Chinese Nationalists on Formosa is shot down over Communist China. U2 flights over Cuba are suspended "until we could learn what brought down the plane in China."

Late September — "We began to be uneasy because of the large numbers of Russian ships coming to Cuba. They never carried missiles on deck, always in the holds. This became apparent later."

Sept. 28 — A photo of a Soviet freighter shows some large crates on deck. In the picture, they look cylindrical, like miniature Quonset huts. Evaluation indicates they are probably Ilushin-28s, a Soviet light bomber, with a range of 750 miles. These crates are un-

loaded in remote ports, not Havana, and solely by the Russians, not the Cubans.

Late Sept. to Oct. 1 — Cuban refugees report heavy night-time truck traffic on the highways.

Early October — bad weather and clouds over Cuba cause a second suspension of the reconnaissance flights.

Oct. 14 — A photo mission reveals sites under construction. They are for medium rockets, range 1,000 miles, and for intermediates, range 2,000 miles. On the same day, pictures are taken of the cylindrical crates, seen Sept. 28 on the freighter, now at San Julián airport. Now it is confirmed that the assembly for the IL-28s was in the crates. The missiles and the bombers are offensive weapons.

Oct. 15 — These photographs are evaluated in the early evening. They touch off the train of events that led to the quarantine.

"I think, but I can't prove absolutely, that the Russians started the construction work about Oct. 10 or 11," he says.

By Oct. 19, at San Diego Los Banos, photographs showed 7 missiles, 4 erectors, 100 vehicles, and tents for 500 men. The base became operational in three days, the officer said.

The Soviet objective was described as "a rapid secret simultaneous deployment" of the missile bases.

"In this day and age," the officer observed, "even the rapid development of a weapons site is a casus belli." (provocation to war.)

Before the end of the week of Oct. 15, the evidence was clear. The President was preparing to present it in his statement ordering the quarantine. Kennedy was ready to make it on Sunday, Oct. 21, but Secretary of State Dean Rusk persuaded him to wait a day, saying it would be difficult to pre-notify all the ambassadors on a weekend.

On Monday, Oct. 22, an hour before the President spoke, representatives of the NATO, SEATO and CENTO alliances were invit-

Service Notes

Ronald E. Morris, son of Mr. and Mrs. James E. Morris, Rt. 1, New Holland, is scheduled to complete recruit training Nov. 9 at the Naval Training Center, San Diego, Calif.

Boy Takes Care Of Mom With His Trusty Shotgun

TUCSON, ARIZ. (AP) — Mrs. T. E. Payne of Tucson was on an outing with her 12-year-old son Shawn when she nearly stepped on a rattlesnake.

Mrs. Payne backed away and then spotted a second snake to her rear. Then a third appeared. Mrs. Payne screamed.

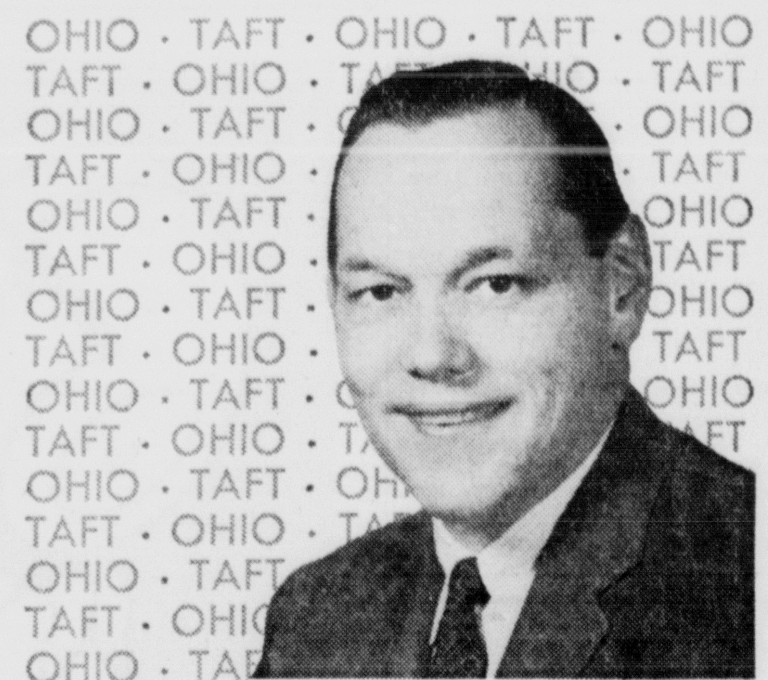

Young Shawn calmly raised his single shot 12-gauge shotgun and blasted one of the reptiles. He re-

loaded and fired again. The third snake slipped away.

The United States was first recognized as a world power by France.

IN WASHINGTON, D.C.—Seaman Apprentice Jack Sommers, son of Mrs. Lillian Sommers, 428 Forest St., has been assigned to Naval air base duty at Washington D.C. following completion of recruit training at Great Lakes, Ill., Oct. 19. Sommers, a 1962 graduate of Washington High School, left here Monday at the close of his leave.

Youth Club Activities

GIRL SCOUTS

Intermediate Girl Scout Troop 1091 met at the home of their leader, Mrs. Paul Brunner.

The Green Thumb patrol was in charge of the Flag Ceremony. Each patrol held their business meetings, and then the girls came together for their club meeting.

Girls brought their dolls they had dressed for the Dolly Derby, which is being sponsored by the Goodwill Industries. These dolls will be in the window of Richards Furniture Store this week.

Plans were made for the parent's night, Monday, Nov. 12 at the Farm Bureau Auditorium. All parent's are invited to a buffet supper, with all girls being hosts for the evening.

Girl Scout calendars and wrapping paper were passed out to the girls to sell, to increase the treasury.

Mrs. George McNew, assistant leader, was in charge of the girls making invitations for the parent's night.

Girls present were: Marjorie Lentz, Patricia Hutson, Sharon Oyer, Cheryl Steele, Margaret Suttles, Tammy Schaeper, Linda Brunner, Paula Stepter, Judy Loudner, Diana Workman, Christina McNew, Mary Ann Hopkins, Diana Melvin, Julia Brunner, Cynthia Fries, Juanita Rauch, Pam Linder, Beverly Chandler, Mary Ellen Benedum, Patty Tractett, Donna Bramblett, De-lite Foy and Linda Jones.

Qatar is an independent Arab sheikdom which occupies the peninsula on the Persian Gulf from Khor el Odeid to Khor el Salwa.

252 Workers Named For Polling Places

The 252 officials who will man the 42 Fayette County precinct polling places at Tuesday's general election have been named by the Board of Elections.

In the following list by precincts the first person named will serve as the presiding judge:

WASHINGTON C. H.
1-A — Mrs. Hazel Maddux, Mrs. Anna M. Baughn, Mrs. Betty Ruhl,

3.8 Million Ohio Voters Due At Polls

(Continued from Page 1)
A special grand jury called several weeks ago at DiSalle's quest to investigate out of state allegations of influence peddling in 1959 in connection with the stocking of liquor brands in state stores is in recess until after the election.

DiSalle had an afternoon television question-and-answer session scheduled on several stations in major cities today, but Rhodes had no definite plans.

This is the rundown on the other statewide races:

Lieutenant Governor: Republican State Sen. John W. Brown of Medina seeks to return to the post he held for two two-year terms. His opponent is John J. Gallagher, Cleveland businessman and former legislator.

Attorney General: William B. Saxbe, Mechanicsburg Republican, is seeking a comeback to the post he lost in the 1958 Democratic landslide. The Democrat is Robert E. Sweeney of Bay Village, son of the late U. S. Rep. Martin L. Sweeney.

Auditor: Lt. Gov. John W. Donahy, Alliance Democrat and son of the late one-time auditor A. Vic Donahy, is opposed by the son of another late one-time auditor, Republican Roger W. Tracey, Columbus, former state treasurer and son of the late Joseph T. Tracey.

Secretary of State: Republican Ted W. Brown of Columbus, veteran secretary of state since 1950, is opposed in his bid for another four-year term by a former Canton mayor, Democrat Charles L. Babcock.

Treasurer: Thomas E. Ferguson, Columbus Democrat and son of the present treasurer, Joseph T. Ferguson, seeks to succeed his father. His Republican opponent is John D. Herbert of Columbus, son of former Gov. Thomas J. Herbert who is retiring from the Ohio Supreme Court.

Three Supreme Court races are on the ballot. Nominees were chosen in party primaries, but they will be on a nonpartisan ballot Tuesday.

The races:
Chief Justice: Democrat Carl V. Weygant of Lakewood, Ohio's chief justice since 1933, has drawn as his most rugged opposition in years Republican Kingsley A. Taft of Columbus, a member of the court since 1949. Taft was re-elected to the court two years ago for a six-year term.

Court Term Beginning Jan. 1: John M. Matthias, Republican member of the court since 1954, faces opposition by Democrat James J. Mayer of Mansfield, Common Pleas Court judge in Richland County.

Court Term Beginning Jan. 2: Paul M. Herbert of Columbus, former Republican lieutenant governor, is a candidate to succeed Republican Thomas J. Herbert who is retiring. They are not related. Springfield Municipal Court Judge Richard T. Cole is the Democratic nominee.

Control of the General Assembly: is at stake in Tuesday's election. All seats in the House are up for grabs with Republicans expected to retain their majority. Only 19 of the 33 Senate seats are at stake. It appears possible Senate control may hinge on a single vote.

Anniversary Of Army Defeat In Ohio Recalled

CINCINNATI, Ohio (AP)—Sunday marked the anniversary of one of the worst defeats ever suffered by the U.S. Army.

It happened just north of here in 1791 when Gen. Arthur St. Clair's force of 1,400 green troops was overwhelmed by braves of Miami Chief Little Turtle. The Indians attacked just before dawn and, after battling stubbornly for

three hours, the soldiers fled in panic. Nearly half the soldiers were scalped.
Thousands of youngsters go to school in the United States under the installment plan — parents underwriting their education the same way as they do the TV set, family car, etc.

"Does Daddy have to work Sundays, too?"

He will, if Consolidated Foods Corporation of Chicago has its way. Sunday will be just another work day for hundreds of thousands more Ohio people than it is now.

Consolidated Foods, you see, is behind the "Sunday Opening" amendment. They own the chain of Lawson stores. And they'd like to blow Sunday wide open in Ohio with an amendment that would let the Lawson stores do business 7 days a week.

With one big exception, everything the "Sunday Opening" amendment mentions — electric power, gas, telephone, television, newspapers, gasoline, medicines, etc. — is already completely legal under present Ohio Sunday law. The big exception is the Sunday sale of food.

Food is by far the biggest retail business in the country. If the "Sunday Opening" amendment passes and the supermarkets and groceries stay open Sundays, it won't be long before every business wants to sell on Sundays... fair for one, fair for all. When that happens, Sunday as we now know it will be gone. We'll have business-as-usual, work-as-usual, 7 days a week.

Is that what you want? Or do you think that 6 shopping days a week are enough, that people should not be forced to work needlessly on Sunday, that Sunday should be a family day... a day of rest, worship and recreation?

LET'S KEEP SUNDAY SUNDAY

Packers Roll Toward First Perfect Season

Chicago Bears Fall As Green Bay Chalks Up Victory No. 8

By THE ASSOCIATED PRESS

The Green Bay Packers are rolling along toward the first perfect season in the National Football League since the Chicago Bears' mighty monsters of the Midway ran up an 11-0 mark back in 1942. There doesn't seem to be anyone around who is going to halt the Packers' blitz.

The defending NFL champions made the present-day edition of the Bears victim No. 8 Sunday as they won their 16th game in a row, 38-7. The string includes a victory in the last regular 1961 game, a resounding 37-0 championship victory over the New York Giants and six exhibition games this summer.

New York took over the top spot in the Eastern Conference with a shaky 31-28 victory over the St. Louis Cardinals and Washington dropped to second place by losing 38-10 to the Dallas Cowboys.

In other NFL action, the Lions defeated the Los Angeles Rams 12-3, Philadelphia and Cleveland played to a 14-14 tie, Pittsburgh rallied in the final seconds to beat Minnesota 39-31 and the Baltimore Colts defeated San Francisco 22-3.

The Packers' solved Chicago (4-4) in the second half with the combination of Bart Starr's passing and fullback Jim Taylor's running.

The Giants (6-2) outscored St. Louis (2-5) three touchdowns to two in a furious fourth period, with the winner coming with 3½ minutes left on Y. A. Tittle's 20-yard pass to Alex Webster.

Dallas (4-3-1) rotated quarterbacks Eddie LeBaron and Don Meredith in its first win ever over the Redskins (4-2-2) and each threw a pair of touchdown passes.

Pat Studstill, subbing for flanker Terry Barr, helped keep Detroit (6-2) vying for a Western title. Two twisting punt returns set up a touchdown, which he scored on a pass from Earl Morrall, and a field goal by Wayne Walker.

Frank Ryan filled in ably at quarterback for Cleveland (4-3-1), scoring once, gaining 85 yards rushing and another 119 passing. The Eagles' Bobby Walston missed a 41-yard field goal with only one second left that would have won for the Eagles.

Lou Dieckmann's third field goal and Dick Hoak's 18-yard run in the last 27 seconds beat back the Vikings (2-6) after Tom Christpherson's field goal had given Minnesota a 31-29 lead.

The Colts (4-4) broke open a tight ball game in the third period on Johnny Unitas' touchdown pass to Lenny Moore after leading only 5-3 at the half.

The Denver Broncos, dangerously close to being the worst team in the American Football League last year, are the new Western Conference leaders today because of an alert defense and a hurry-up halfback named Donnie Stone. With the Broncos capitalizing on three San Diego errors and Stone crashing through for three touchdowns, the Colorado upstarts, who dropped 11 of 14 games last year, overcame the defending conference champion Chargers 23-20 at San Diego Sunday. It was the Broncos' seventh in nine games, and boosted them to the top of the West over Dallas.

The Texans fell a half game behind, losing a 14 - 6 decision to Houston in their own Cotton Bowl backyard after trouncing the Oilers 31-7 a week ago in Houston. It was the Texans' second defeat in eight games.

The Oilers' victory put them only a half game behind the Eastern Conference-leading Boston Patriots, who were held to a 28-28 tie by the last-place Bills in Buffalo Saturday night.

New York's Titans emerged from a last - place tie with Buffalo by beating winless Oakland 31-21 at the Polo Grounds in Sunday's other game. The Titans, with two straight victories, own a 4-5 record to Buffalo's 3-5-1.

Stone, a 24-year-old Arkansas U. alumnus, bulldozed over Denver's first and second touchdowns, then scored the third and what proved to be the winning TD on a 13-yard pass from Frank Trippuca.

Here Is How Top Ten Fared

By THE ASSOCIATED PRESS

Here's the way the nation's top ten college football teams fared in Saturday games:

1. Northwestern (6-0) beat Indiana 26-21.
2. Alabama (7-0) beat Mississippi State 20-0.
3. Southern California (6-0) beat Washington 14-0.
4. Louisiana State (5-1-1) lost to Mississippi 15-7.
5. Texas (6-0-1) beat Southern Methodist 6-0.
6. Mississippi (6-0) beat Louisiana State 15-7.
7. Michigan State (4-2) lost to Minnesota 28-7.
8. Arkansas (6-1) beat Texas A&M 17-7.
9. Washington (4-1-2) lost to Southern California 14-0.
10. Auburn (5-1) lost to Florida 22-3.

Faint Glimmer Of Light Appears In Bowl Picture

By THE ASSOCIATED PRESS

A bowl is sometimes a household utensil which is used to contain soup or leftovers and occasionally as a hiding place for small change saved from the house money.

Sometimes, however, it is a very large stadium which is used to contain college football teams—and it's a long, long way from being a small change operation.

In respect to the second type, an unlikely series of upsets last weekend helped focus a faint glimmer of light through the muddy, soupy uncertainty surrounding which teams are likely to get bids for the New Year's classics.

There doesn't appear to be room for leftovers.

Ohio State, Purdue and Michigan State fell victim to full-blown

upsets in the Big Ten, which made Northwestern (6-0) look big as the visiting team in the Rose Bowl. Southern California (6-0) whipped Washington 14-0, probably its biggest hurdle. It gave the Trojans the inside track as the host team.

In the South, Alabama (7-0) and Mississippi (6-0) emerged as the dominant teams in the scramble for berths in the Orange, Sugar, and Gator bowls. Alabama, defending national champion, unbeaten in 25 games and currently rated second in the nation, rolled over Mississippi State 20-0 while Ole Miss beat Louisiana State 15-7.

The Big Eight winner gets a spot in the Orange, and it now looks like a fight between Missouri and onrushing Oklahoma. Missouri (6-0-1) upended previously unbeaten Nebraska 16-7 while Oklahoma (4-2) but unbeaten in the confer-

ence, hammered Colorado 62-0. Their struggle for the No. 1 spot probably will be resolved in their game Nov. 17.

Texas regained the top spot in the Southwest Conference with a 6-0 edge over Southern Methodist. The Longhorns' 3-0-1 conference mark gives them the lead in the competition for the Cotton Bowl host, but Arkansas, 17-7 victors over Texas A&M, and Texas Christian, 28-26 winners over Baylor, are still in the running with 2-1.

In the East, bowl-minded coach Paul Dietzel got his Army team (6-1) past Boston University 26-0. The Orange Bowl has expressed interest in the Cadets, who have yet to play Pitt and Navy. Dartmouth remained unbeaten with a 9-0 triumph over Yale while Penn State beat Maryland 23-7.

Northwestern got another outstanding performance from sophomore quarterback Tom Myers in a 26-21 victory over surprisingly tough Indiana. Myers completed 16 of 26 passes for 243 yards and two touchdowns. Northwestern, currently ranked the top team in the nation, is shooting for its first Big Ten title in 26 years, but still has to face bruisers Wisconsin and Michigan State.

Wisconsin warmed up for its Saturday clash with the Wildcats with a 34-12 rout of Michigan. Michigan State fell before Minnesota 28-7 in one of the conference shockers. Iowa eliminated defending champion Ohio State from title consideration 28-14 and Illinois snapped a 15-game losing string, 14-10, at the expense of Purdue.

The upsets, which included Florida's 22-3 rout of previously unbeaten Auburn, left only six major teams on the unbeaten, untied list: Dartmouth, Southern California, Northmouth, Mississippi, Alabama and Ohio University.

Georgia Tech, still in the running in the South, got a touchdown and two field goals from Billy Lothridge in a 20-9 triumph over Duke. Oregon State edged Washington State 18-12 in one of the key Far West games.

Browns' QB Unhappy With 14-14 Tie

CLEVELAND (AP) — Unhappiest of the Cleveland clan, after Sunday's unsatisfactory 14 - 14 deadlock with the Philadelphia Eagles, was Brown quarterback Frank Ryan—who outrushed all the enemy ball carriers.

Making his first start as a replacement for injured Jim Nowski, the 200-pound 6 - foot-3 Texan gained 85 yards in nine carries, scored a touchdown and completed 10 of 23 passes for 119 yards. The Eagles rushed for 65.

"I'm not being paid to run—I'm paid to pass, and I didn't do it too well," Ryan said. "I have no excuse, for I've thrown a wet ball before."

The Browns dropped 1½ games behind the New York Giants in the National Football League's Eastern Division.

Sunday's game was a frustrating one for both sides. Each team had three passes intercepted, each lost a fumble, the Eagles' Bobby Walston missed two field goals—one in the last second from 41 yards — and the Browns' Lou Groza missed three.

High Praise For Panthers From Coach

Miami Trace Coach Dan O'Brien said Monday morning he realized even more, after a look at the motion pictures, "what a great game our boys played Friday at Circleville, holding the powerful Tigers to their lowest score of the season."

He re-emphasized what he said after the game Friday, that the Panthers followed his instructions perfectly each play and that "no coach could want more."

The Panthers 14-6 defeat thus turned out to be a strong moral victory and they'll be hotter than ever in their season finale at Pleasant View this week.

The Panthers, now with a 3-1-1 slate in the South Central Ohio League, are in third place, just a half - game behind the Wilmington Hurricane, whose 38-0 victory over the Washington C. H. Lions Friday netted them second place with a 4-1-1 mark.

O'Brien commented: "I usually don't single out any players, but I'm going to reverse that policy this time, especially where our defenders are concerned."

The Panther line turned out to be the first yet to stop Circleville halfback Gerald Daigle from scoring. It also held the usually potent Tiger passing attack to three completions of eight attempts.

O'Brien praised middle guard, 170-lb. sophomore Paul Junk; RT, 210-lb. sophomore Dwight Turner; RE, 160-lb. sophomore Tom Bain; LT, 190-lb. junior Larry Noble; LE, 200-lb. senior Bill Thornberry; left inside linebacker (LILB), 165-lb. senior Capt. Dick Evans; RILB, 190-lb. sophomore Moe Gray; ROLB, 155-lb. senior Bill Creamer; LOLB, 160-lb. senior Jim Fletcher; safeties, 180-lb. senior Dave Craig and 175 - lb. senior Carl Weaver. During practice sessions, the Panther defense is tutored by Ralph Tate.

Bob Johnson, a 200-lb. junior tackle, was also commended for an outstanding job on defense during the second half of the game.

Offensively, O'Brien spotlighted 170-lb. junior halfback Bill Hall, who hulled over the Tiger line in the fourth quarter for the Panthers' lone six - pointer, and 130-lb. sophomore halfback Fred Hoppes who was responsible for much of the MT 202-yard total. Dave Jenkins, 190-lb. sophomore fullback, was lauded for good offensive blocking, especially pass blocking. Another senior, quarter back

Buckeye Yo-Yo Falls Again, May Be Up Against Indiana

By THE ASSOCIATED PRESS

Ohio State's win-one-lose - one Buckeyes followed form Saturday and lost their third game of the season; but, according to the same form, they should bounce back this Saturday with a victory over Indiana.

The Buckeyes not only lost a 28-14 decision to Iowa but they possibly lost the services of perhaps their top lineman and top back — center Billy Joe Armstrong and quarterback John Mummey.

Both were sidelined early in the Hawkeye tussle and they remain a question for the coming game with the Hoosiers.

Trailing 21-7 at the half, the Bucks took the kickoff and marched to a touchdown, held the Hawkeyes, and drove to the Iowa five where they fumbled. Then the Ohio scoring threat ended.

Elsewhere on Ohio's 26 - game card Saturday, only seven conference games were played as most teams prepared for the final drive for loop championships.

In the classy Mid - American Conference, league - leading Ohio University remained unbeaten, crushing Marshall 35-0. In four Mid-Am games, the Bobcats have not had their goal line crossed. The big test, however, comes Saturday at Bowling Green.

The defending champion Fal-

Larry Avey, received favorable mention for his seven - of - 15 pass completions, good for 110 yards. O'Brien said Avey's trick bootleg pass, was used for the first time in the Circleville tilt. It set up the MT touchdown.

Offensive linemen Wayne Wal-lace (165-lb. sophomore guard) and Greg Thompson (170-lb. junior tackle) were also commended by their coaches for fine blocking, thus constituting the ways and means for the Panther backs.

The backfield instructor is Robert LeBeau, the Panther reserve coach. Movies of the Miami Trace-Circleville game will be shown for interested fans at 8 p. m. Wednesday in MTHS cafeteria.

The Ant and the Grasshopper

We all know the Fable of the Grasshopper who gaily danced the summer away while the Ant was busy laying aside provisions and preparing for the cold winter.

There are some people who dance through the summer of their lives as unconcerned and unprepared as the Grasshopper. But other, wiser men and women provide funds against the cold winter day when they will be urgently needed. You can still enjoy life, and you will have added peace of mind, knowing that you and your loved ones are safeguarded by a life insurance contract of the Sun Life of Canada.

Why not discuss your life insurance problems with me today? You will be under no obligation.

'Peacetime Veterans' Eligible For Benefits Under New Bill

CINCINNATI — As many as 2,500 Southern Ohio peacetime veterans who have suffered service-connected disabilities will benefit under terms of the Peace-time Vocational Rehabilitation Bill signed by President Kennedy, James C. Robison, manager of the Veterans Administration regional office here, reports.

The bill extends to these peacetime veterans the benefits of VA's Wartime Vocational Rehabilitation Bill.

In Washington, John S. Gleason, Jr., Administrator of Veterans Affairs, reported that some 12,000 peacetime veterans incur injuries each year and may be eligible for the new benefits. Robison pointed out that he estimates 2,500 Southern Ohio veterans may already be eligible on the basis of VA's estimate of 100,000 such veterans in the nation.

The new law provides similar vocational rehabilitation training for peacetime disabled veterans as did the original vocational rehabilitation bill.

VETERANS entitled to the benefits are those who sustained service-connected disabilities while in the Armed Forces — (A) During the period between World War II and the Korean Conflict; (B) Since Feb. 1, 1955. Applications may be filed by writing Contact Officer, VA Regional Office, 222 E. Central Parkway, Cincinnati 2.

Your Horoscope

The Stars Say—By ESTRELLITA

For Tomorrow

GOOD PLANETARY rays now encourage the completion of unfinished tasks and the solution of long-pending problems. Avoid stress and strain, however. You will accomplish far more by maintaining a steady pace.

For The Birthday

If tomorrow is your birthday, your horoscope indicates that job and/or business goals which you may have thought unattainable recently, could well be realized before the end of this new year in your life—that is, of course, if you have made use of all opportunities available in the past few months and have put forth best efforts.

Even if you did not, however, there's no reason to feel discouraged since, with the middle of December, you will enter a

fine planetary cycle and can still accomplish a great deal before mid-1963.

The use of a latent or undeveloped talent could open up new fields of endeavor to you in January and, by July, you could achieve unusual recognition if you really try. The mid-December period will also inaugurate a good financial period, lasting through February, and you will have another good boost along these lines between May and September. December and January should be lively from a social standpoint, and both travel and romance are indicated in late December, in June and August.

A child born on this day will be sensitive, intuitive and endowed with a great sense of loyalty.

Fayette County, Ohio, on Section 1 on FAY-1-225, State Route No. 1 in Jasper and Jefferson Townships, by grading, draining and paving with reinforced Portland cement and by constructing Bridge No. FAY-1-0268 Left and Right, a dual structure grade separation consisting of continuous concrete slabs on concrete substructure (Each spans 44 feet - 55 feet - 44 feet, roadway 42 feet between parapets), over the Baltimore and Ohio Railroad; Bridge No. FAY-1-0301 Left and Right, a dual structure grade separation consisting of continuous concrete slabs on continuous steel beams with capped pile substructure (Each spans 36 feet - 46 feet - 36 feet, roadway 42 feet between parapets), over Rattlesnake Creek; Bridge No. FAY-35-0270, a concrete deck on continuous steel beams with capped pile substructure (spans 34 feet - 42 feet - 34 feet, roadway 44 feet), over Rattlesnake Creek; Bridge No. FAY-1-0375 Left and Right, a dual structure consisting of concrete decks on continuous steel beams with concrete substructure (Each spans 47.5 feet - 67.75 feet - 47.5 feet, roadway 42 feet between parapets), over U. S. R. 35; Bridge No. FAY-1-0687, a concrete deck on continuous steel beams with concrete substructure (spans 65.75 feet - 93.75 feet - 65.75 feet, roadway 24 feet between 2 foot 3 inch safety curbs), State Route No. 729 over State Route No. 1; Bridge No. FAY-1-0718 Left and Right, a dual structure consisting of concrete decks on continuous steel beams with concrete substructure (Each spans 56 feet - 70 feet - 56 feet, roadway 42 feet, between parapets), over Sugar Creek; and Bridge No. FAY-1-0741 Left and Right, a dual structure grade separation consisting of continuous concrete slabs on concrete substructure (Each spans 42 feet - 52.5 feet - 42 feet, roadway 42 feet between parapets), over the Detroit, Toledo and Ironton Railroad. Width Pavement Variable. Project Length 27,700 feet or 5.246 miles.

Work Length 41,292.58 feet or 7.820 miles.

The date set for completion of this work shall be as set forth in the bidding proposal.

Each bidder shall be required to file with his bid a certified check for an amount equal to FIVE PER CENT OF his bid, but in no event more than ten thousand dollars, or a bond for TEN PER CENT of his bid, payable to the director.

The contract will be subject to the Work Hours Act of 1962 and implementing regulations.

Minimum wage rates for this project have been predetermined as required by law and are set forth in the bid proposal.

Bidders must apply, on the proper forms, for prequalification with the Highway Credit Examiner at Columbus, Ohio, at least 10 days before the date set to open bids.

Plans and specifications are on file in the department of highways and the office of the division deputy director. The director reserves the right to reject any and all bids.

E. S. PRESTON, Director

By RAY BRANDENBURG

Monday morning at 6 a. m., we left Bill McCoy at Wilmington, Ohio, and headed south for Maysville, Ky. There we met George Dillon. Loaded everything in his car and headed south, on down through Lexington, Ky. and took route 27 winding through the hills and dales. Country looked green and nice, livestock looked good, people seemed busy and all was well. We buzzed along and wound up about twenty miles north of Atlanta and holed up for the night in a nice motel. After a nice dinner of fried chicken and watching TV a while, we went to bed. At 6 a. m., we were on our way again and got through Atlanta before the heavy traffic started. Then a good breakfast of southern pancakes and sausage put us in a good frame of mind.

On we came over good roads and hit interstate 75 about fifteen miles south of Perry, Ga. It was open for 120 miles and you can really buzz along. We stopped in Leesburg to get our groceries, just a few—little samples. But when Geo. and I got through picking up this and that, they came to \$18.45. WOW.

We came on to Tavaris and arrived in our trailer court just after 4 p. m. Quite a few friends greeted us and Mrs. Bud Wolfe and Nellie Swindler had our trailer all shined and cleaned ready for us. Friends like that are really appreciated. Then Nellie invited George and I down for supper. George sort of hemmed and hawed but I told her we'd be there. Had a dandy fish dinner with all the trimmings. Thanks Nellie.

Cattle Theft, Tavern Burglary Investigated

A case of cattle rustling and a \$200 burglary were reported to local law enforcement officers over the weekend.

Harley Ford, a Madison Twp. farmer, told Sheriff's Deputy Robert McArthur Sunday afternoon that 9 or 10 Holstein cattle were stolen from a field on his farm, at Beale Rd. and the CCC Highway-E, Friday night.

Ford said he found dual truck tracks leading from Beale Rd. into the field Saturday morning and that the gate was left open. The cattle had no identifying marks, the owner said. He did not state their value.

A description of the cattle, and two sows which Ford said had been missing since Thursday, was sent to sheriff's offices in the seven counties surrounding Fayette.

BURGLARS took nearly \$200 worth of cigarettes and liquor Saturday night from Chick & Bill's Drive Inn, 606 Delaware St. The break-in was reported to city police Sunday morning by the owner, Chester Bryan.

Bryan said the intruders gained entrance by forcing a latch on the rear door of the building.

Stolen were 46 cartons of cigarettes, a 12-bottle case of grape wine, 12 fifths of whiskey, three fifths of gin and 2½ cases of beer.

Patrolman Rodman Scott estimated the retail value of the stolen merchandise at approximately \$200.

ONE OTHER THEFT and two cases of vandalism were investigated by police and sheriff's officers in the city-county area over the weekend.

John Andrews, 325 Peabody Ave., reported the theft of half a tank of gasoline from his car while it was parked in front of his home Friday night.

Gene Malcom, 417 Gibbs Ave., said someone threw a rock at the car he was driving on Elm St. between Willard and Yeoman Sts. Saturday night, damaging the

right rear fender. The car is owned by Carroll Halliday, Inc.

Virgil Lowe, owner of Lowe's Welding Shop, 217 W. Paint St., told police Saturday afternoon someone had broken a window on the south side of the building and smashed a blower housing left in front of the shop Friday night. Damage totaled \$25.

Trophies Given For Top 1962 Colts In OCRA

Trophies were presented to the owners of four outstanding colts in the Ohio Colt Racing Association this year and to the outstanding driver at Sunday's annual OCRA dinner meeting in the General Denver Hotel, Wilmington.

Topping the list for harness horses racing last season in the OCRA were:

Lady Speed, 2-year-old trotter, owned and driven by Willard Mikesell, of Lebanon. The trophy was presented by McKinley Kirk, of Washington C. H.

Vicola, 2-year-old pacer, owned by Wayne W. Galvin, Wilmington and driven by Dick Buxton. Trophy by Fairmead-Green Acres Farm, Clinton County.

Virgie's Worthy, 3-year-old trotter, owned by Mr. and Mrs. George Van Camp, of Circleville, and driven by Van Camp. Trophy by Lebanon and Hamilton Raceways.

Fairlawn, 3-year-old pacer, owned by Dr. L. H. Thompson, of Sidney, and driven by Ernest Samples. Trophy by Pickwick Farms.

Buxton, who drove 21 winning dashes in the OCRA, was presented the trophy given by Mr. and Mrs. H. W. Davis, of Lebanon, to the winningest driver.

DR. H. K. BAILEY, president, presided at the business session and gave a brief summary of the growth of the OCRA, which supervises the stakes for 2-year-olds and 3-year-olds in both gait at 11 fair harness horse race meetings.

Davis, secretary-treasurer, supplemented his routine report with the statement that the number of entries in last summer's OCRA races set a new record.

John Sagar, president of the Fayette County Fair Board and secretary-treasurer of the Dr. H. M. Marshall Futurity, which is sponsored by the OCRA, said the nominations have been increasing steadily every year and predicted the event will carry the biggest purses ever awarded next summer.

AMONG the speakers introduced by Robert Hoffman were Steve Valley, Piquette, who is in charge of the Ohio State Fair race program; Don Millar, executive vice president of the United States Trotting Association (USTA); and Larry Evans, USTA publicity director.

One of the highlights of the meeting was the presentation of gold engraved plaques for life membership in the OCRA to Jacob Pundt, of Eaton, James Hawkins, of Venice, and Frank E. Ellis, of Washington C. H. Ellis had been a member of the Fayette County Fair Board 35 years and was secretary 15 years before he retired two years ago. Engraved on the plaques was: "For distinguished service in the promotion of harness horse racing in Ohio."

Among the more than 100 representatives of the OCRA, their wives and guests at the meeting were four from Washington C. H.: John Sagar, McKinley Kirk, Mr. and Mrs. Ellis and Fair Board Secretary and Mrs. Harold McCord.

Fairs on the OCRA circuit are at Lebanon, Washington C. H., Xenia, Wilmington, Troy, Owensville, Greenville, Marion, Dayton, Carthage and Lancaster.

Howls Of A Hot Cat

MIAMI — Mrs. Signe Pogue started her car and switched on the air conditioner. But instead of cool air, she got the sound of a hot cat.

Mrs. Pogue turned off the engine and looked under the hood. She found a cat, sightly the worse for wear, tangled in the fan belt.

Ex-Sen. Bricker Flails Kennedy In Address At GOP Rally Here

BRICKER SPEAKS--Against a backdrop of torches, placards and bunting, former Sen. John W. Bricker spoke at a GOP rally on the west steps of the Courthouse Saturday night. He was the principal speaker at the campaign-closing event sponsored by the Fayette County Young Republicans Club.

Former Sen. John W. Bricker told a Republican rally here Saturday night that President Kennedy is attempting to win the election of a "rubber stamp Congress," which, Bricker declared, would make him a dictator if he succeeds.

The rally, held before the Main St. entrance to the Courthouse, followed a torchlight parade through downtown Washington C. H. sponsored by the Young Republicans Club.

Sheriff Don Thompson estimated the rally attracted 300 persons.

BRICKER, in a rousing old-fashioned political pep talk, urged the election of Republicans all along the line, emphasizing the three local contests and the races for governor, congressman and U. S. senator.

He blasted Kennedy's handling of the Cuban situation and declared the President made no move against Castro until after his political tours of the Midwest awakened him to the knowledge that the people were fed up with his "wishy-washy attitude on Cuba."

The former senator and governor praised the qualities of State Auditor James A. Rhodes, the Republican candidate for governor, Congressman William H. Harsha Jr. of the 6th District, and John

Marshall Briley, Republican nominee for the U. S. Senate, and urged their election.

Bricker also endorsed the four Republican candidates for county offices—Belford Capenter, for state representative; Evelyn W. Coffman, for Common Pleas judge; Max Lawrence, for county commissioner; and Harry R. Allen, for county auditor. Allen is unopposed.

JOHN S. BATH, chairman of the Fayette County Republican Executive Committee, was the master of ceremonies. He declared that candidate for candidate the Republicans were best qualified for the offices they seek, and urged a clean sweep of GOP candidates from Washington C. H. to Columbus to Washington, D. C.

About 200 persons participated in the parade, including 50 carrying torches, which began at Hinde and Market Sts., moved east on North to North St., south on North to Court Sts., west on Court to Main St. and north on Main, disbanding in front of the Courthouse.

Candidates rode in convertible cars, and an informal group of Washington High School bandmen led the parade.

WOMEN PAST 21
WITH BLADDER IRRITATION

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in urine, acid urine and by analgesic pain relief. Get CYSTEX at drugists. Feel better faster.

Mr. and Mrs. B. E. Kelley attended the annual meeting and luncheon of The Ohioana Library Association, Saturday in the Neil House, Columbus, where for the third successive year, Kelley was honored for one of his Record-Herald features, the subject being "Boston Tea Party Member Lies in Unmarked Ohio Grave". The feature story first appeared in The Record-Herald and later was published by the research department of the Ross County Historical Society.

Mr. and Mrs. Robert Hurtt, formerly of 1002 Golfview Drive, have established their home at 451 S. Daley St., Mesa, Ariz.

Mr. and Mrs. George Wilkinson, 1609 Sunset Drive, have named their son, born in Memorial Hospital Wednesday, Todd Alan.

Mr. and Mrs. James Tolle, New Vienna, have chosen the name, Terry Norman, for their son born in Memorial Hospital Thursday.

I THANK A FOOL

Rev., Mrs. Grimm To Enter Cincinnati Methodist Home

The third and last of three fellowship meetings at Grace Methodist Church Sunday night turned out to be a surprise farewell for the Rev. and Mrs. Perry E. Grimm 211 Cardner Ct.

The Rev. and Mrs. Grimm, who came here about seven years ago after his retirement, are planning to go to Cincinnati within the next two weeks to live in the Bethesda Methodist Home. The move, the Rev. Mr. Grimm explained to friends, is being made because of Mrs. Grimm's health.

Soon after they came to Washington C. H. to live in Gardner Village, which was established under the will of Miss Edith Gardner as a home for retired ministers, the Rev. Mr. Grimm assumed the responsibilities of assistant pastor of Grace Church.

This was shortly after the death of the Rev. L. J. Poe, whose widow is now on the Bethesda Home staff, and about the time Dr. G. Glen Hughes was assigned to Grace Church as its pastor.

AS ASSISTANT pastor, the Rev. Mr. Grimm also taught the Wesley Weds Sunday School class and spent many hours calling on shut-in members of the congregation.

In appreciation of these services, which he gave without pay, the Wesley Wed Class presented a portable television set to Mr. Grimm. The presentation was made by Cecil Roebuck.

On behalf of the Women's Society, Mrs. Willard Wilson gave a transistor radio to Mrs. Grimm and for the church, Eli Craig, chairman of the official board, presented them a check for \$750.

Hosts for the covered dish supper at the start of the meeting were members of the Men's Bible Class. Group singing was led by Lawrence Marteny, with William Robinson as the accompanist.

The program included a film and an explanation of the work of the Rev. James T. Laney, a missionary to Korea, who is supported in part by Grace Church.

Massachusetts grows 60 per cent of the cranberry crop of the United States.
